A Whole Train Load

THIRTY-THREE CARLOADS—over a half million dollars worth of Maytag washing machines have just been bought and paid for by the Maytag Pacific Co. to meet the demands of Oregon and Washington women for this superior washing machine. And the reason why there is so much greater demand for the Maytag than any other machine lies in the exclusive Maytag advantages which permit easier, cleaner, quicker, more thorough and gentler washing.

Advantages No Other Washer Has

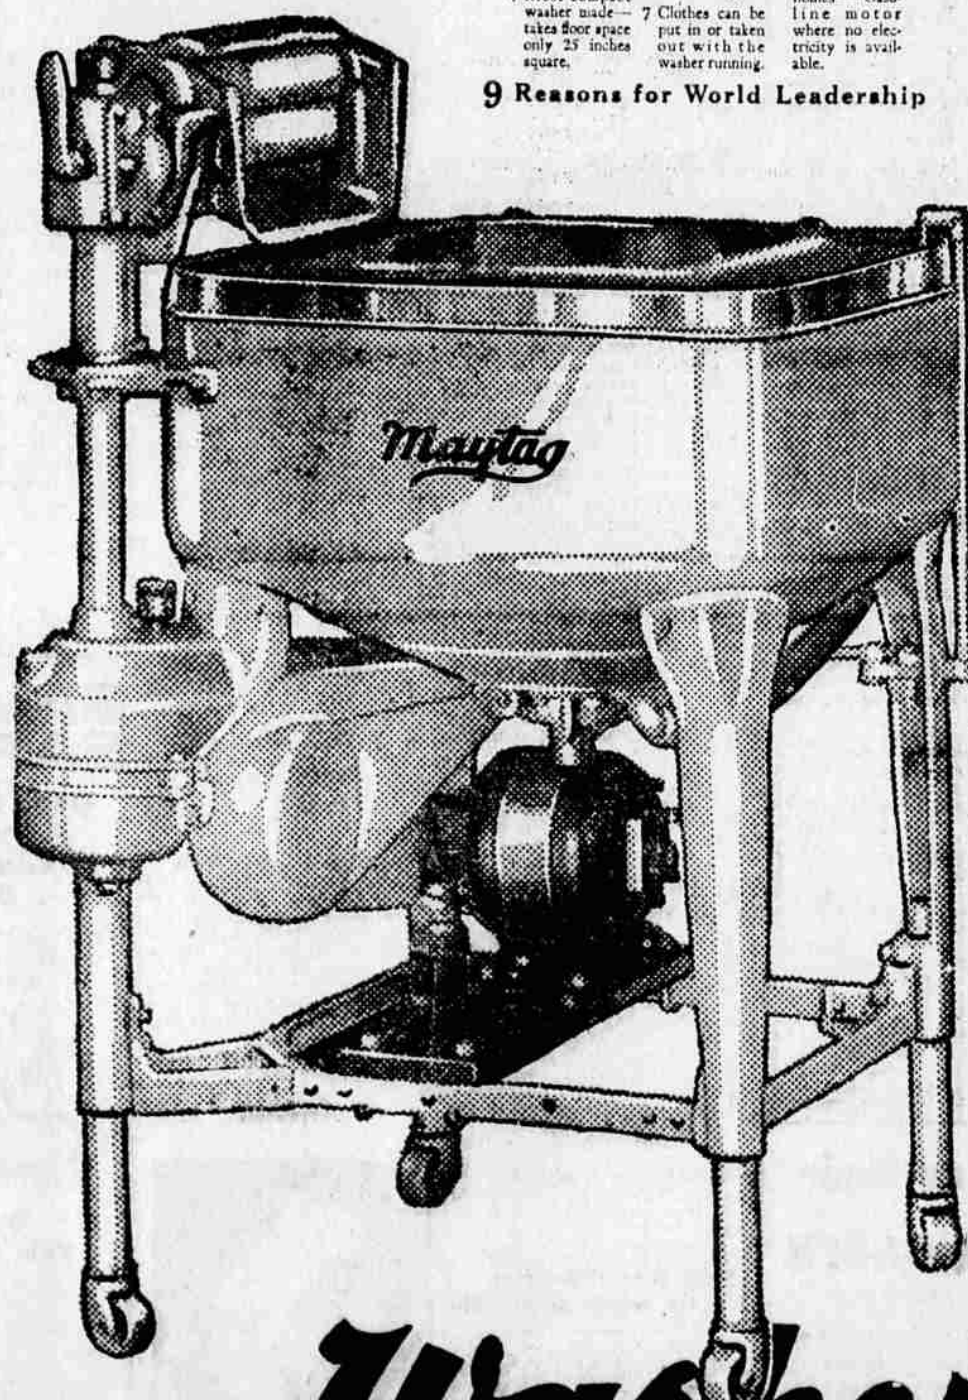

Do you know of any other washing machine that washes whole tubfuls spotlessly clean in 3 to 7 minutes—that will wash the grimeiest work or play clothes in 10 minutes—that will do a whole washing of 50 pounds (dry weight) in an hour—that will wash collar, cuff and wristbands without rubbing—that has an aluminum, machinery-free tub without corners or seams to harm the daintiest fabrics—a tub that cleans itself in 30 seconds—with adjustable legs to suit your height—that takes up only twenty-five square inches floor space?

These and many other exclusive advantages explain why it is that nearly one-third of all washing machines sold are Maytags.

9 Outstanding Maytag Features

- 1 Washes faster.
- 2 Washer cleaner.
- 3 Largest hourly capacity. Tub holds 21 gals.
- 4 Most compact washer made—takes floor space only 25 inches square.
- 5 Cast aluminum tub—can't warp, rot, swell, split nor corrode—cleans itself.
- 6 Easily adjusted to your height.
- 7 Clothes can be put in or taken out with the washer running.
- 8 All metal wringer. Self-adjusting. Instant tension-release.
- 9 Electric motor for wired homes—Gasoline motor where no electricity is available.
