PEACH SEASON AT ITS PEAK

PORTLAND, Ore., Aug. 23 (AP)—This week will find the peak of the peaching season passed, fully three weeks earlier than in ordinary years. The peach and pear season is right at its height now with the local market so well supplied, that prices have sunk to the lowest level in many seasons. Apples, plums and prunes, too, are almost a drag on the market and buyers can almost make their own offers.

The supply of peaches on the market this morning was still liberal with considerable carry over from last week along with today's fresh arrivals. Crawford and Elberta were selling in the wholesale produce market all the way from 50 to 70 cents a box. Fancy J. H. Hales range up to \$1 a box. A few Muirs were coming in and held around 60 to 65 cents a box.

Pears were still plentiful but Bartlett will soon be out of the market with offerings too ripe for canning. Prices this morning ranged from 75 cents a box on bulk stock to as high as \$1.50 and \$1.80 for fancy wrapped and faced stock.

Fresh Italian prunes are offered as low as 2 cents a pound.

Apples of all descriptions flooded the market with so many cookers and windfall stock available at any price that there was really no established quotations. Fancy wrapped Gravensteins range from 75 cents to \$1.50 a box. Crab apples sell at 4 to 4 1/2 cents a pound.

Butter and egg markets opened firm this morning at ruling prices. Higher levels in outside markets together with moderate receipts and a brisk demand were strengthening factors.

Not enough trading was done in live poultry and country dressed meats this morning to test ruling levels.

Husband Will Press \$200,000 Damage Suit

SAN FRANCISCO, Aug. 23 (AP)—Charles L. Humphrey, of Sausalito, is preparing today to press his damage action of \$200,000 against the Glad Tidings Tabernacle of this city and its pastor-director, Herbert J. Craig, on the ground that Craig, a temple teacher, alienated the affections of his wife, The Glad Tidings Tabernacle is one of a pentecostal group of churches, but contrary to published reports, has no connection with the Anglican Temple of Los Angeles of which Alvin Sempie McPherson is the pastor.

Humphrey's complaint asserts that Craig induced Mrs. Humphrey to leave their home, enroll herself in a school of evangelism and to undertake a trip about the state in which she preached the doctrine of the Glad Tidings Tabernacle.

Wheat Rallies After Declines Early Today

CHICAGO, Aug. 23 (AP)—Weather conditions a little more favorable for harvest in Canada tended to ease wheat prices down today during the early dealings. Besides, current indications suggested that European consumer demand is not taking wheat as freely as some authorities had looked for. Starting 1/2 to 3/4 off, the Chicago wheat market underwent a slight further sag. Corn and oats developed firmness, corn opening 1/4 to 1/2c lower, and subsequently scoring gains. Provisions showed strength.

Helped by decided strength which developed in the corn market, wheat today rallied from early declines due to better harvest weather in Canada.

Wheat closed firm 1/4 to 3/4 higher; corn 1/4 to 3/4 up; oats showing 1/2 to 3/4 net gain and provisions varying from 1/2c decline to a rise of 25 cents.

and Ella Walker were shopping in La Grande Saturday.

Mr. and Mrs. Mills Fellows and Mrs. Olive Johnson, of Wallawa, were at Imbler Saturday evening.

Grant Tucker made a trip to Eagle valley last week after fruit.

Charles Kowen returned from a trip to Yakima, Wash., last week. George C. Evans, of Tandon, is stopping at Mother's Inn here for a few days.
