Star Offers New Hoxie Thriller For 2 Days

Thrills, romance and comedy with the ancient hatred of cattle men and sheep men for each other forming the plot feature "A Fighting Peacemaker," Universal-Ripe Struck Western, starring Jack Hoxie, which is playing at the Star theater today and Wednesday. Hoxie has been given a fine supporting cast, headed by Leta Todd, and the picture marks the return to the screen of this popular little actress after several months absence due to a surgical operation. The star has introduced into this picture with telling effect two of his animal pets—Scott, his favorite horse, and Thim, his love of these two animals for their master is well illustrated in this picture.

Leta Todd is appealing and charming as Jess Marshall and shows that her absence from the screen has not affected her acting. Fred Oliver is again the villain. Others in the cast deserving of mention are William A. Steele, Class Comstock, Tom Grimes, Bert DeMare, Frank Rice and Floyd Cretwell. A Buster Brown comedy is also being shown.

"Shining Adventure" At Sherrys for Today Only

"The Shining Adventure" will be the feature motion picture production at the Sherry theater today only. This production is noteworthy in several respects. It was produced by Madeline Brandeis, the young Omaha, Neb., society girl

If Mexicans Run Arms, Just Catch 'Em, Advise

The league of nations had nothing to do with Mexico and Mexico had nothing to do with the league of nations," says foreign minister Saenz. He referred to the announcement that Nicaragua has protested to the league against an alleged filibustering expedition sent to Nicaragua from Mexico to aid the revolutionists in the Central American country which comes to the Arcades on Wednesday and Thursday can

WHEN WE THINK THE OTHER FELLOW KNOWS

Some people would be far better off if they used their own judgment rather than placing so much confidence in the judgment of the other fellow. The lack of self confidence has cost many a man a considerable sum, if we were able to think as fast as the other fellow can talk, likely our judgment would save us money.

A Neighbor does not borrow his neighbor's car—why his phone?

It is statistically set forth that there is one telephone for every eight persons, showing that if it is held that there are four members to a family, that half of the population, if granted free use of the telephone, is paying nothing for the service, thus throwing the whole burden of expense upon the other half. Is this fair?
