## AT THE THEATERS

### Priscilla Dean Is Back in Film At Sherrys

Priscilla Dean is said to reveal new talents in "The Danger Girl," a new Metropolitan photoplay feature which comes to the Sherry theater today and Thursday.

We have come to know this young screen star as a wilful, impetuous, dynamic girl whose smiles were few and far between. But in her new vehicle, a screen version of the successful mystery stage play, "The Bride," she reaches the heights of screen artistry.

In the supporting cast are players who make their roles shine. John Howers appears opposite Miss Dean as a wealthy bachelor whose hobby is rubies, while his brother played by Arthur Hoyt, knows no joys other than those he gets from taking care of several schools of fish.

Cissy Fitzgerald, too, returns to her former place in the emerald room and with William Humphreys, Clarence Burton, Gustave Von Seyffertitz and Ernie Connelly, a better cast could not have been selected.

Comedy showing "Hayfoot, Strawfoot."

### Mix's "Tony" Leads Wild Horses in Star Play

"Tony Runs Wild," Fox Film's latest Tom Mix production, will begin a three day's showing at the Star theater Thursday.

The setting for "Tony Runs Wild" is along the Apache trail in Arizona's land of wonderful scenery. The action of the story carries the picture to the exterior and through the interior of the ancient Cliff Dwellings, homes of a race that vanished from American centuries ago.

"Tony" is pictured as the leader of a band of wild horses. He is captured and tamed and then released. At the climax of the production, at the first scene, he answers his master's call, leads his wild mates in a rush that saves the hero and the heroine from being shot to death by desperadoes. Mix himself says this is "Tony's" best picture and "Tony" says it's Tom's best production.

In addition to Mix the cast includes Jacqueline Logan, Lawford Davidson, Duke Lee Vivian Oakland, Edward Martindale, Marion Jarlan, Raymond Wells, Jack Padjan, Arthur Morrison and Martin Faust.

### "Fascinating Youth" Showing Today At Arcade

Paramount's latest claim to fame in the movie spotlight, is the feature picture that is showing at the Arcade theater today and Thursday, "Fascinating Youth," the picture in question, is a radical departure from the usual run of films.

Byron Morgan, author of the original story, has built his tale around sixteen students. Other roles played by Ralph Lewis, James Bradbury, Sr., Harry Sweet, and Joseph Burke, are secondary. To the Junior Stars, themselves and Director Sam Wood, should go all the credit. To be perfectly fair, and not slight any one, the following are credited with "honorable mention": Charles Rogers, Ivy Gray, Jack Lauen, Greg Blackton, Jeanne Morgan, Thelma Keavin, Irving Hartley, Dorothy Nourse, Charles Bookman, Robert Ward, Claude Buchanan, Mona Palma, Josephine Dunn, Thelma Todd and Robert Andrews.

"Fascinating Youth" shows how a group of young people set out to put a winter resort on a paying basis.

Radio telephones have been installed on the huge airplanes of Eastern air lines, in addition to ground and phonographs. Passengers are thus enabled to hold conversation with different cities while en route.

### PARK MAN WOUNDS BEAR AND FIGHTS BRUTE WITH CLUB

THE PARK, Sept. 1. (Special)—J. C. Lay killed a large brown female bear last week. He first shot the bear through the shoulder, breaking two ribs. He only had two cartridges left and because of excitement he shot the bear through the ear with one of them and missed it entirely with the other. He then attacked it with a club which the bear knocked out of his hand. He returned to camp after more cartridges but when he returned the bear had died.

### INSURANCE MAN TELLS ON FRIEND

"He suffered considerably from gas in stomach and colic attacks, and at times was very yellow. His doctors diagnosed his ailment as gall bladder trouble, and that an operation was necessary. Some one persuaded him to try May's. Since taking it one star ago he tells me he has been able to eat anything." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists.—Adv.

## A Neighbor does not borrow his neighbor's car—why his phone?

It is statistically set forth that there is one telephone for every eight persons, showing that if it is held that there are four members to a family, that half of the population, if granted free use of the telephone, is paying nothing for the service, thus throwing the whole burden of expense upon the other half. Is this fair?
