AT THE THEATERS

A Great Epic of Alaska at Sherrys

Tingling drama, throbbing with the life-blood engendered by the hardships of the snow country and fairly breathing the smash and wallop of the Alaskan elements comes to the Sherry theater on today for a two-day run when F. B. O.'s "The Isle of Retribution," an adaptation of Edison Marshall's novel, is shown for the first time here. The premier of this production will mean something, since the picture is heralded as the most powerful melodrama of the northland filmed in many a year.

Lillian Rich takes the starring role as Bess Gilbert, the courageous girl who is cast with snobbish society companions on a snow-swept Alaskan island which is ruled by the huge fists of the terrible "Doomsdorf." Robert Frazer, Mildred Harris, David Torrence, Kathleen Kirkham and Inez Gomez are all fine.

Comedy showing "Honest Injun."

"Tony" Co-Stars With Tom Mix at Star

"Tony," Tom Mix's wonder horse, co-stars with Mix in "Tony Runs Wild", latest Fox Films western production showing at the Star theater today and Saturday. Although he has a difficult part, calling for a lot of horse sense and intelligence, "Tony" does it so well that he almost takes the honors away from his master.

The picture was made along the Apache trail in the rugged, picturesque mountains near the Pueblos of the Cliff Dwellers, a race which vanished long before history began. Now this district is becoming highly developed mining and cattle territory but bands of wild horses still run at large and "Tony" was cast as the leader of one of these bands.

"Tony Runs Wild" is a modern-lower, to the last minute set amid the rugged beauty of the oldest west. Jacqueline Logan has the feminine lead. The picture was directed by Thomas Buckingham.

A Larry Seman comedy is also being shown.

Corinne Wins New Triumph at Arcade

Picturegoers who have clamored for a picture of a different sort will find one today and Saturday at the Arcade theater where Corinne Griffith in her newest First National picture, "Into Her Kingdom," is the attraction.

It may justifiably be said that the beautiful star really enters her own kingdom in the impersonation of the late Grand Duchess Tatiana of Imperial Russia and in describing her exceptionally brilliant dramatic work the reviewer finds himself more at loss for words that are broad enough to do her justice, than for words enough to fill this column.

Elinar Hanson, a newcomer from Sweden, shares the spotlight with the star. Hanson is an exceptional actor. Even with Miss Griffith's brilliance her picture would have suffered with any man less talented than Hanson, opposite her. Claude Gillingwater gives his usual good performance and Charles Crockett, Marcel Corday, Larry Fisher, Tom Murray, Evelyn Selbie and General Lodigenski as the Cossack leader, give their small but important parts careful attention. Both the Arcade theater and Miss Griffith merit congratulations of an enthusiastic sort.

President Drives 40 Miles to Catch Trout

PAUL SMITH'S, N. Y. Sept. 3. (AP)—President Coolidge had an early breakfast today and drove nearly forty miles across the mountains to fish for trout in the Ausable river.

Although the season for his favorite fish closed September 1, in Franklin county, in which his angling had heretofore been done, trout fishing is permitted in Essex county until next Tuesday and so the chief executive chose one of the best trout waters in that county for another expedition with rod and reel.

WHEN WE THINK THE OTHER FELLOW KNOWS

Some people would be far better off if they used their own judgment rather than placing so much confidence in the judgment of the other fellow. The lack of self confidence has cost many a man a considerable sum. If we were able to think as fast as the other fellow can talk, likely our judgment would save us money.

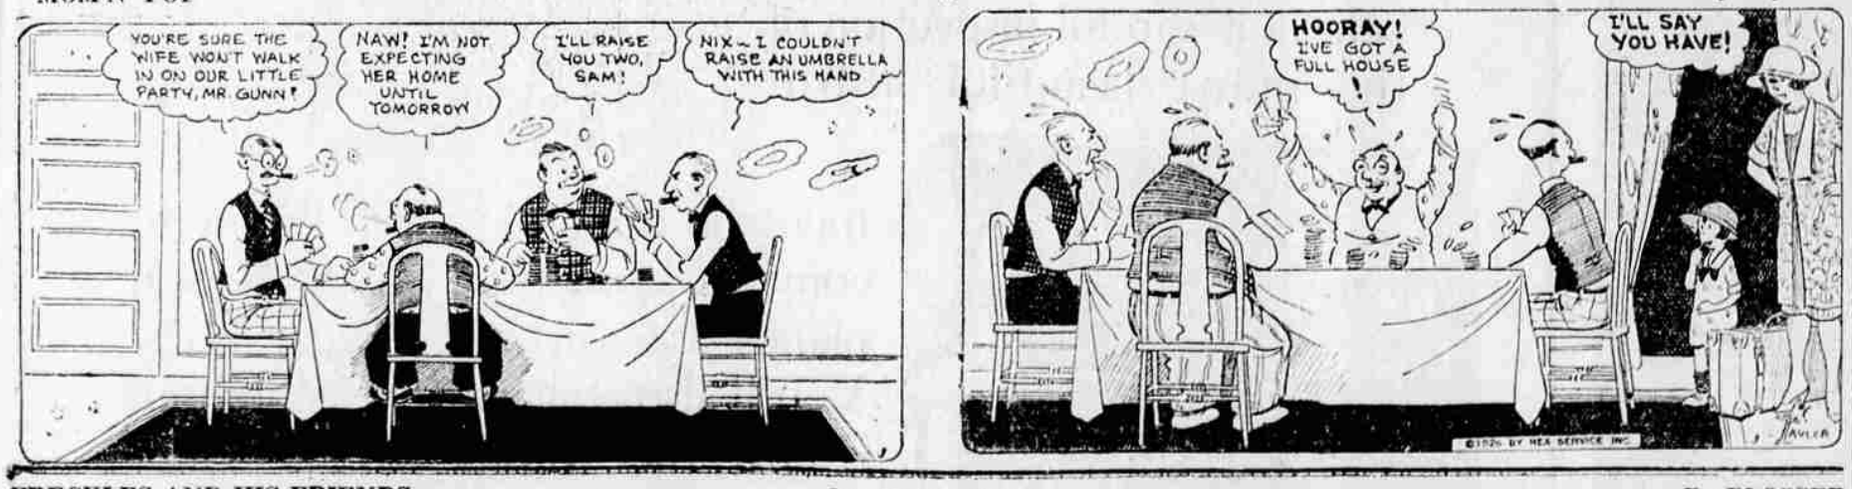
MOM'N' POP Caught By Taylor



FRECKLES AND HIS FRIENDS Jay Knows Better By BLOSSER

A Neighbor does not borrow his neighbor's car--why his phone?

It is statistically set forth that there is one telephone for every eight persons, showing that if it is held that there are four members to a family, that half of the population, if granted free use of the telephone, is paying nothing for the service, thus throwing the whole burden of expense upon the other half. Is this fair?
