Social Activities Are Resumed

With the beginning of the fall season next Thursday, September 23, social activities in and about La Grande will be in full swing. Clubs and other social organizations have gradually resumed their meetings, after the summer holidays, until now most of them have started on their programs for this year.

Early in the month several church organizations held their first meetings of the season, including the home department of the Presbyterian church, St. Peter's Episcopal Guild and St. Peter's Aid society of the Episcopal church, the Presbyterian Missionary society, and the general aid society of the Methodist Episcopal church.

The Daughters of the American Revolution met for the first time last week also when Mrs. Fred Kiddle was hostess. Wovena Temple of Pythian Sisters also resumed its regular meetings a short time ago.

This week the Westminster society opened the year's work with a dinner, served at 6:30 o'clock, in the basement of the Presbyterian church, and the Young Women's Educational auxiliary met for the first time in the basement of the Methodist Episcopal church. The Women's Bible class of the Presbyterian church also held their first social meeting this week at the home of Mrs. Gustav Winkler.

The Junior Bridge club met for the first time this season early in the month and the second meeting is scheduled for next Friday, when Mrs. Dick Lindsay will be hostess. The Alpha club, club and other bridge clubs will begin activities very soon now, some of them having meetings scheduled for next week.

Chapter I. P. E. O., is meeting for the first time this afternoon with Mrs. H. S. Beaverton, and two of the parent-teacher associations are beginning their work for this year. Both the Greenwood and the Willow associations are meeting.

On Tuesday evening a surprise party was given at the parsonage of the Methodist Episcopal church south, honoring three young members of the church who are leaving La Grande soon. A workers' conference of the Epworth league was in session at the parsonage when 36 persons arrived for the farewell party, which was given for Claude Hall and Miss Stella Rodgers, who are going away to school, and Miss Cora Stanley, who is moving to Southern Oregon with her parents.

Claude and Stella will leave Sunday. He will enter the University of Oregon and she will go to the Oregon Agricultural college. Games were enjoyed during the evening until about 10:30 o'clock when refreshments were served. Gifts were presented to each, and they responded with expressions of thanks.

Where Did She Get That Graceful Figure?

You remember her of course— not long ago she was a regular sewer—skinny, a mild word for the way she looked.

Just look at her now—if ever a woman had a perfect figure she has it—she is the envy of half the girls in town.

It's nothing to get excited about—all she did was to strike on weight—filled out the hollows in face, neck and chest—any skinny weak, run down woman can do the same and gain a clean, clear complexion at the same time.

Just get 40 Mello's Cod Liver Oil Compound Tablets for 40 cents at Red Cross Drug Store—or any drugstore anywhere. Take 2 after each meal and two at bedtime and if any excessively thin woman, or man either for that matter, doesn't gain at least five pounds in 30 days! Why? Money back.

One very thin woman gained 10 pounds in 22 days. Ask for Mello's.

Missionaries Attend Nazarene Meeting

The women of the Nazarene church held an interesting meeting yesterday afternoon at the home of Mrs. Calvin Summers. The Rev. and Mrs. Carl Embree, who were visiting at the home of the Rev. and Mrs. L. D. Meggers, were present and told of their experiences in West Africa, where they have been as missionaries. They also showed a number of trophies which they brought to the United States with them when they returned last April on a year's furlough. They will return to their station at Jobba, Nigeria, West Africa, in February. The Rev. Mr. and Mrs. Embree were students at the Northwest Nazarene college with the Rev. Mr. and Mrs. Meggers of this city, whom they stepped to visit yesterday on their way to Yakima, Wash., where both Mr. and Mrs. Embree's parents live.

Mr. and Mrs. Carl Mischke, who have one more year at the Nazarene college at Nampa, Idaho, before they go to Africa as missionaries, were also present for the meeting. Mrs. Mischke is sister and brother. They are visiting at the Meggers home here.

The meeting was presided over by Mrs. Meggers, in the absence of the president, Mrs. L. O. Long, who is ill. Refreshments were served late in the afternoon.

PROMISE (Special).—Mr. and Mrs. John Carper gave a party at their home here last Saturday evening in honor of their son, Ed's, seventeenth birthday anniversary. After an enjoyable evening at games, refreshments were served.

PROMISE (Special).—A family reunion was held at the home of James Taylor at Maxville last Sunday. Those present, besides the members of the family, were Mr. and Mrs. Vesper Henderson and family, Mrs. Alice Chenoweth, Hattie Taylor and family, and Mrs. Esther Monks. The gathering was in the form of a surprise for Mr. Taylor.

Dinner was served at noon and the afternoon spent visiting.

Oliver P. Morton Relief Corps No. 37 will serve dinner to the G. A. R. veterans tomorrow noon at the K. P. hall. After dinner

the regular business meeting of the corps will take place.

After adjournment during the summer months, the Marytha Sunday school class of the Methodist Episcopal church will begin the year's study Sunday morning during the Sunday school hour.

To make money to help defray the expenses of the American Legion auxiliary convention to be held here next summer in connection with the state legion convention, members of the local auxiliary will give a benefit card and Kensington party at Honan hall next Wednesday afternoon, September 22, beginning at 2:15 o'clock. Members of the auxiliary invite everyone to attend.

Mrs. J. T. Richardson is chairman in charge of the party and will be assisted by Mrs. Hugh Brady and Mrs. Ouis Palmer. Mrs. Ray Murphy and Dr. Margaret Ingle are members of the decorating committee, and Mrs. C. N. Palmer heads the refreshment committee.

Sister Mary Says:

BREAKFAST.—Chilled melon, wheat cereal cooked with dates, thin cream, crisp rye toast, milk, coffee.

LUNCHEON.—Minced lamb on toast, carrot salad, whole wheat bread, California grapes, milk, coffee.

DINNER.—Cream of celery soup, pan broiled pork chops, baked sweet potatoes, stuffed tomato salad, apple meringue, pudding, bran bread, milk, coffee.

Always be sure that pork is thoroughly cooked. It's a really delicious meat and if this simple precaution is taken we can serve it to our families occasionally as a welcome change and special treat.

Carrot Salad.
One cup grated carrot, ½ lemon, ½ teaspoon salt, 1 teaspoon sugar, ½ cup whipping cream, paprika, lettuce.

Grate rind from lemon and squeeze out juice. Whip cream until solid and fold in lemon juice, grated rind of lemon, grated carrot, salt and sugar. Drop from a spoon onto heaped lettuce and sprinkle with paprika to serve.

This is an excellent salad for small children as it is, and if finely chopped nuts are added it will be found very satisfactory for older children and adults.

THE WAY OF THE WORLD
Nature's funny oftentimes—
There's a fat Priscilla Hay
She's afraid to eat most every thing.

And gets fatter every day!
And there is little Lucy Brown
Stuffs down a great big dinner
She wants to gain a dozen pounds
And is always getting 'thinner!

Native: "That's a razorback hawk, suh."

"What's he rubbing himself on the tree for?"
"Just stropping himself," suh, just stropping himself."
