Police System Shown in Film At Sherrys

A glimpse of the intricate and effective police system of criminal administration is reported to be shown in "The Handsome Brute" at Sherrys. This is the latest Columbia film in the perfection series.

William Fairbanks is the young actor-athlete who has the little part in this feature. Co-starring with the favorite leading man is Virginia Lee Corbin, the lovely little lady who has delighted fans everywhere with her young girl characterizations and will thrill them now as a beautiful heroine.

The picture is said to deal with the trials and tribulations of a young man whose chief ambition is to be a member of the great police organizations and to do something worthwhile in it.

There is ample opportunity to complete this desire, but "Big Bill" for one reason and another, mostly due to his truthfulness and good nature, is about ready to be dismissed for incompetence, when he achieves singlehanded the biggest clean-up in the history of the force and wins a beautiful bride at the same time.

An excellent cast of character actors are in the supporting cast including Leo Shumway, Robert Fowler, J. J. Bryson and Daniel Belmont.

Comedy showing, "Monkeys Prefer Blondes".

Few things make a man feel so superior as to hear his wife rattle the gears of the car.

The dead sure thing doesn't always come to life.

Unconquered Horse In Drama Of Indian Days

Res, untamed, unriveted, unconquered, is the star of another unique film production directed by Fred Jackman. This is "The Devil Horse," starting today at the Star theater. In it the fiery, spirited black stallion that Hal

rough found chained in a reformatory still displays his magnificent personality in a story written for him by Mr. Rouch.

It's plays the title role—that of a huge stallion of the wilderness who is feared by the Indians because of his killing power.

But there comes into the Devil Horse life a man—a man who romances as the friend of his childhood—a friend of those happy days before the Indians came and made war on the little caravan of home seekers and left him alone and starving from his first experience with cruelty and pain.

And Devil Horse and man became comrades in dangerous events that follow—events in which figure the girl the man loves and the mare the Devil Horse loves.

Yakima Canutt, Gladys McConnell, Robert Kortman, Roy Clements and Fred Jackman Jr., play the leading human roles in "The Devil Horse," in which the entire Crow Indian reservation in Montana also appears.

The Killer, the spotted stallion who plays the villain in "Black Cyclone," is similarly cast in "The Devil Horse," in which Lady, the beautiful gray mare, is the equine heroine.

"Our Gang" hits town again! This time they arrive in the form of fire fighters, their latest comedy being entitled "The Fourth Alarm."

Colleen Portrays Girl's Hardship in "It Must Be Love"

Another of the heart appealing dramas, which Colleen Moore knows so well how to deliver, is the promise of First National in her latest screen vehicle, "It Must Be Love," which will be shown at the Arcade theater for three days, beginning today.

In this human story of a New York girl's struggle against the mediocrity and misunderstanding of her parents Colleen Moore has given to the screen a dramatic bit of life familiar to everyone who has been brought up in the midst of the crowded city.

Because she wanted to have a nice home, where she could bring her friends without a feeling of inferiority, this girl, as portrayed by Miss Moore, had to sacrifice the love of her father and almost broke her mother's heart.

The parents conducted a delicate

Golden opportunities are the kind that fate hands the other man on a silver platter.

The woman who really loves children seldom thinks it is necessary to say so.

That's going some—but skinny men, women and children just can't help putting on good healthy flesh when they take McCoy's Cod Liver Oil Compound Tablets.

As chock full of vitamins as the nasty, fish-tasting cod liver oil itself, but these sugar-coated, tasteless tablets are as easy to take as candy, and won't upset the stomach.

One woman gained ten pounds in twenty-two days, 60 tablets, 60 cents. Ask Red Cross Drug Store or any druggist for McCoy's Cod Liver Oil Compound Tablets and if you don't gain at least 5 pounds in 30 days your druggist is authorized to hand you back the money you paid for them.

Insist on McCoy's, the original and genuine.

WHEN WE THINK THE OTHER FELLOW KNOWS
 Some people would be far better off if they used their own judgment rather than placing so much confidence in the judgment of the other fellow! The lack of self confidence has cost many a man a considerable sum. If we were able to think as fast as the other fellow can talk, likely our judgment would save us money.

You Wouldn't Keep Her Waiting at Your Door

When the doorbell rings you answer it promptly because you don't like to keep people waiting.

It is even more important that your telephone callers are not kept waiting. Calls are often lost because the person at the other end of the line thinks there is no one at home and hangs up.

Answering the telephone promptly helps us to provide you with the best possible service.
