

YANK OUTFIELD DOPED STRONGER

Babe Ruth Dominates
Both New York and
Card Fly Chasers

NEW YORK, Sept. 28 (AP)—Babe Ruth's huge bulk tips the scales in favor of the New York Yankees as the strength of the outfielders to play in the world's series is weighed. St. Louis has no Ruth. The Yankee slugger with 47 home runs and a batting average of .368, has distanced the best effort of any Cardinal outfielder.

If Blades can join in the Cardinal outer defense, Manager Hornsby will offer three, 300 hitters with Southworth and Douthitt completing the trio. With the injured Blades probably not in the lineup, Hafey is expected to get the call with Holm next in line. The five St. Louis outfielders, with Blades included, although a doubtful starter have an average of .299.

Ruth, Combs and Mousel are the regular Yankee outfield, with Paschal and Carlies in reserve, both with an average of .313.

Ruth Dominates
Ruth dominates the outfield talent involved in the series. He has scored 133 runs and stolen 12 bases. He will be in his seventh world series, Southworth who will patrol right field for the Cardinals, has had more limited world's series experience, but his batting average of .313 enabled him in part to score 37 runs and he has made 15 home runs and stolen as many bases.

Only in center field can the Cardinals offer a stronger offense on paper than the Yankees. Douthitt has hit .305 to .301 for Combs. The Cardinal scored 37 runs against 110 for Combs but his 22 stolen bases dwarfed a total of 6 for the Yankee.

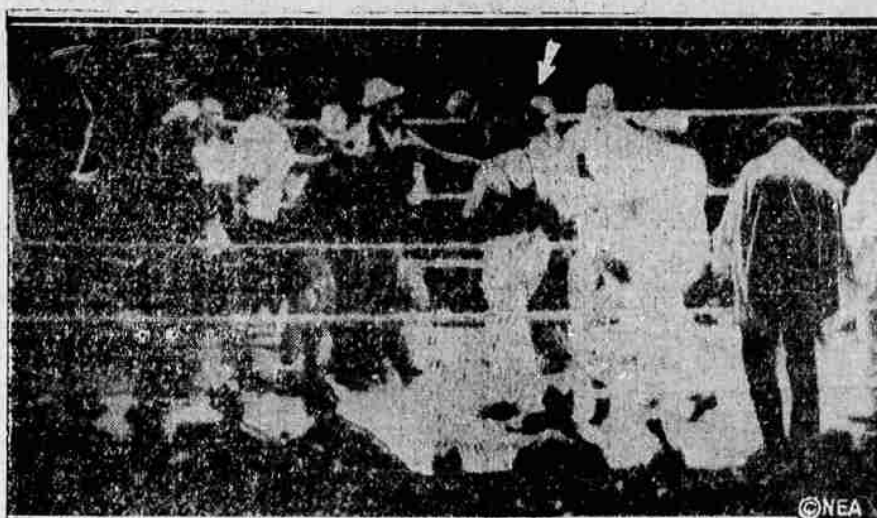

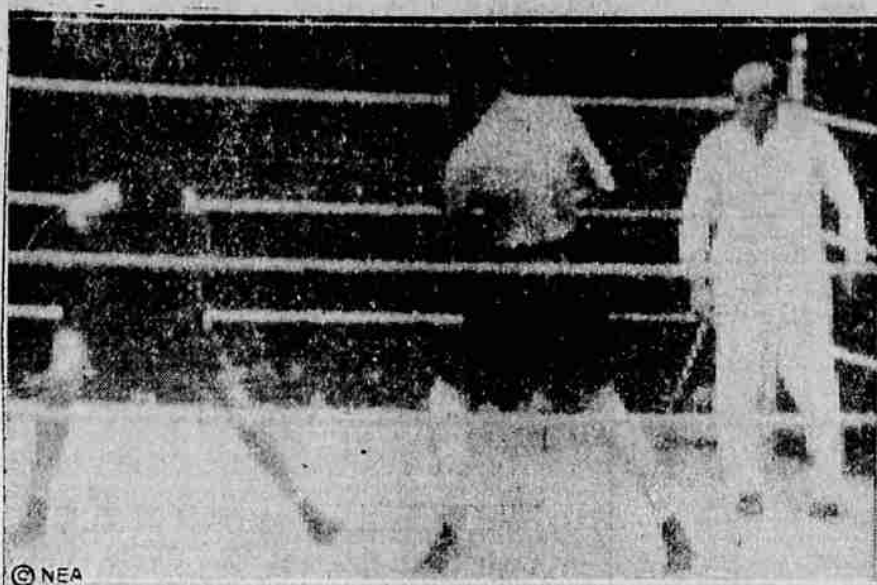

Combs scored an advantage in home runs, eight to three.

Mousel Strong
If Hafey goes to left for St. Louis, New York with Mousel in the opposition role, will make a greater impression on the face of the season's returns. Mousel has compiled a batting average of .318 and scored 69 runs, with 12 of the runs unaided through the medium of circuit smashes. He has stolen 18 bases. Hafey has a batting average of .270 with 30 runs scored, four home runs and two stolen bases. He has played only 75 games.

Blades will bring a good record into the series if he is able to appear actively. He has batted .267 with 81 runs scored, six stolen bases and eight home runs. Holm, the fifth St. Louis outfielder, batted .288, scored 18 runs, stole three bases and did not enter the home run class.

Paschal and Carlies are two hard hitting outfielders, subject to call from the bench. Paschal

has a batting average of .285, he has seven home runs and the same number of stolen bases. His runs total 45. Carlies' batting average of .291 was ascribed while he was wearing two uniforms, his early season hitting being for the benefit of the Boston Red Sox. He has made two homers, but has not stolen a base. He has scored 25 runs.

WALLA WALLA, MAC-HI TAKE OPENING GAME

WALLA WALLA, Sept. 28—Walla Walla's first hurdle of the season Friday afternoon on stadium field, defeating Colfax high, 4 to 0, in a hard fought contest that was decided with 10 seconds to play. A determined squad of amber-jerseyed youths from the Palouse country repulsed three invasions deep into their territory, twice when dropkicks by Applgate failed and a third time when a pass over the goal grounded.

MILTON WINS
MILTON, Sept. 28. (Special)—McLoughlin High took its first game of the season Friday when it defeated Kennewick at Kennewick 6 to 0.

Mac-Hi's touchdown came early in the third quarter when Huford, half, intercepted a pass and made a 75 yard run for the score. A similar run was called back earlier in the game when Mac-Hi was penalized for holding. The lines held and both teams were forced to resort to frequent punting. Sand slowed up the play but the men played at knife edge alertness due to the low temperature.

Indians Clinch Second Place in American League

CLEVELAND (AP)—Cleveland won second place in the American League Monday by defeating Philadelphia, 5 to 4, in a game that decided the second position. It was Cleveland's twenty-seventh victory of the season.

George Burns, who made his sixty-fourth two-basis hit of the year, distinguished himself by driving in all of Cleveland's runs. Philadelphia used three pitchers in an effort to stop the Indians.

Brings Down Deer With Small Pistol

ENTERPRISE, Ore., Sept. 28—Giving a fine exhibition of marksmanship, Chas. Trowbridge shot and killed a deer with a small pistol Sunday. He and Cleve Reed were camped near the Grande Ronde river in the northwest part of the county. Mr. Trowbridge went to the spring for water and had only his .22 caliber pistol, with which he is very skillful. Seeing a deer at a distance of perhaps 200 feet, he aimed carefully and fired, cutting the animal's spinal cord at the base of the head.

TIGERS TO FACE ALUMNI FRIDAY

Practice Game to Find
All La Grande Grid
Aspirants in Action

First chance to size up La Grande's football prospects for 1926 will come Friday at 3:30 p. m., when Coach MacKenzie sends his squad into the field for an organized scrimmage with a team composed of high school alumni.

Every able-bodied player—there have been several minor pre-season casualties—will get into action before the struggle is over.

Two Players Injured
Of the last year men, Brown, fullback, and Hanks, quarter, will probably not get into play this week. Both are temporarily laid up by knee injuries. They are showing up well, though, the coach passed, and are promising material for the regular season.

Snyder, Lyman and Price, a trio of halfbacks, he says are along in good style. The line is showing up well with Carl Smith, Bruce, and Zundel progressing, encouragingly into grid-shape. Strand and Zundel have all the makings of a pair of fast ends, MacKenzie remarked.

Wallowa Game First
"We aren't promising anything but this: We're going to give all we've got all the time, and when they get through with us, they'll know they've been in a football game," MacKenzie epigrammatized the Tiger sentiment.
