Party at Island City Compliments Mrs. Harry Hulac

Mrs. Harry Hulac, recent bride, was the inspiration for an attractive party yesterday afternoon at the home of Mrs. E. F. Kiddle at Island City, given under the auspices of the Ladies' Aid society of the Island City community church and the sewing club of that place.

Mrs. Hulac was formerly Miss Virginia Bryant, and made her home at Island City with her husband and uncle, Mr. and Mrs. C. H. Howell. Her marriage to Mr. Hulac was an event of Sunday, September 18, at the First Methodist Episcopal church in Portland. She arrived here Monday of this week to visit her aunt. She will return to Portland, where Mr. Hulac has a business position and where they will make their home, the last of the week.

The party was in the form of a miscellaneous shower. As the honor guest entered the room she was given a card of greeting and good wishes on which were directions leading her to a place where more directions were found telling her where to go to find the party. There many lovely gifts were found.

The Kiddle home was decorated for the occasion with asters and autumn leaves. Mrs. Ralph Clark added to the enjoyment of the afternoon with a group of piano numbers.

Luncheon was served by the committee in charge which included Mrs. Benwick Clark, Mrs. Isaac Schaefer and Mrs. D. Davis. Mrs. Hulac has many friends in La Grande and vicinity, being a graduate of the local high school with the 1922 class. She also attended the University of Oregon. Mr. Hulac graduated from the U. of O. with the class of 1925. He is a member of Phi Beta Kappa and Lambda Psi fraternities.

Miss Mabel Schaefer, of La Grande, who is starting her first year at Whitman college, at Walla Walla, Wash., pledged the Phi Mu society last Sunday afternoon, according to word received here today. The Phi Mu are one of the four national Greek letter organizations for women represented at Whitman.

At the annual fall pledging which closed Sunday, 49 freshman girls were affiliated with the several groups.

Miss Schaefer is the daughter of Mrs. J. E. Schaefer of this city. She graduated from the local high school last evening as one of the honor students.

State Officer Pays Visit to La Grande

Mrs. Minnie Cood, state officer of the Degree of Honor Protective association, of Baker, was in the city last evening and attended the first meeting of the local association this season. Mrs. Pearl Bell Youngman, member of the Portland lodge, but now making her home at Pendleton, was also in attendance.

Mrs. H. E. Swan, president, presided over the meeting and called upon both Mrs. Cood and Mrs. Youngman for a few remarks. Mrs. Alice Gilmore was initiate.

Sister Mary Says: Exercise Face To Get Beauty London Is Told

LONDON, Sept. 29 (AP)—"Exercise your face" is the slogan of a new cult of beauty. It follows of the Mayfair beauty expert carry out instructions which are issued with this slogan there will be something for the average observer to smile at. The instructions include the following:

"Exercise your face in the omnibus, train or in the car. Never lose an opportunity to work the facial muscles.

"Pout the lips as often as possible. This keeps the lips full and young and helps to charm away the lines of the mouth.

"Smile whenever you have a spare moment, but do not on any account allow the eyes to smile too.

"Roll your eyes. Give the glad eye to the whole world. Few people realize that the beauty of the eye is only maintained through exercise.

"Sniff. Only those who are continually sniffing will develop fine sensitive nostrils.

"Do not be afraid to bite. Biting and chewing develop the muscles of the jaw and give that clear strong line to the profile."
