CLUB WOMEN TO WORK FOR 2 MEASURES

Armory Bill and Eastern Oregon Normal School Are Favored

AUTUMN SESSIONS OPENED YESTERDAY

New Officers of Neighborhood Club Installed—State P. T. Chief Attends.

Campaigns in behalf of the Eastern Oregon normal school and La Grande armory measures were emphasized among the civic, social, cultural and welfare undertakings surveyed by the officers and committee heads of the Neighborhood club when meetings were resumed with an officers' day program and tea at the clubrooms in the library building Tuesday afternoon.

Mrs. Robert Eakin, the new president, who, with her cabinet, was ushered into office by Mrs. O. E. Silverthorn, a past president, referred to the importance of two bills in her inception address.

Armory Long Needed

Mrs. Hugh E. Brady, chairman of the community service committee, explained the advantage of the proposed armory building, which she said would provide a long-needed community hall. Activity of every member to help procure the passage of the normal school bill was urged by Mrs. A. H. Hunter, chairman of the women's committee campaigning for the institution.

Mrs. C. H. Scranton, retiring president, in a graceful expression of gratitude to all who cooperated to make her administration a success, recommended to the club that the constitution be amended to provide for installation of officers in the spring.

Mrs. John Theobald, a past president, was named alternate for Mrs. J. D. Lynch, a director, to serve on the board during her absence from La Grande. Mrs. Lynch is acting as business manager for the State Federation News, at Portland.

P. T. Chief Speaks

Mrs. W. W. Gabriel, of Portland president of the Oregon Parent-Teacher association, addressed the meeting briefly on the object of the organization she is here to represent and invited the members to attend the state convention at Salem, Oct. 26-27.

La Grande club women stand head and shoulders above most of the club women in Oregon, and we look for big things from your parent-teacher associations here."

UNION COUNTY BUDGET BOARD IS APPOINTED

Appointment of the committee that will arrange the budget of county expenditures for 1927 was the principal business, outside of the auditing of warrants, when the county court opened its October session in the office of Judge U. G. Couch this morning. Franklin Zurbriek, of La Grande, James Wilson Sr., of North Powder, and W. E. Kuck, of Alvord, were named to serve on the committee with the three county commissioners. The budget will be made up at a meeting Nov. 5, immediately following the November term of county court.

YOUR TRADE IS VALUED

When you spend your hard-earned money for the necessities and luxuries of life, you naturally want to spend it where your trade is appreciated, where customers are valued and every effort is made to satisfy them in every detail.

The business man who advertises in The Observer proves his appreciation of your trade by keeping in constant touch with you through his advertising messages. It shows that he values your trade and will make extra effort to please you. It's a pleasure to spend your money with that kind of business man. He is dependable—he is intelligent—he is seeking a mutual benefit.

Reynolds' Case Against City Up In Circuit Court

McArtor Damage Suit Goes to Jurors at 12:20 Today

A verdict for the defendant was returned by the jury at 1:20 o'clock.

CHANGE BECOMES EFFECTIVE TODAY

Horace Knapp Remains in Charge of Sewer and Water Joint Department.

Beginning this morning, all street work in La Grande is placed in a department apart from other municipal bureaus. This action, according to City Manager W. C. Green, has been made necessary by the natural increase in necessary attention to the streets, due to two causes—the growth of the city, and the building up of the streets during the last four years.

With the creation of this department, Orville Wright, an employee of the city for the past year and a half, was appointed superintendent, effective today.

Children Show Much Interest In Art Exhibit

Not football nor holiday has stirred the boys and girls of the La Grande schools as has anticipation of the art exhibit they are giving next week.

The picture libraries and the art museum contests, indicated under the leadership of Mrs. E. C. Mosman last year, has taught them some of the values of art.

The masters are familiar names to them. Their works are friends. So the youngsters thrill to the thought of associating with 150 of the world's finest masterpieces during the five days of the exhibit at Honan hall, Oct. 11-15.

EL DORADO WILL OPEN TOMORROW

Moose Show for Benefit of Indigent Members to Start 3-Day Run

Everything is in readiness for the opening of the Moose El Dorado tomorrow night at 8 o'clock at Zuber hall. The show, which is being given under the auspices of the Moose club, the sporting organization of the Moose lodge, will continue for three nights—Thursday, Friday and Saturday.

Besides a dancing with good music furnished by Paul Crayter, formerly with the Star Novelties, and his orchestra, there will be about 10 exhibitions which will afford plenty of fun.

An attendance prize—a radio set—will be given away the last night of the show. The radio is now on display in the window of the Cash Cigar store. Other prizes will also be given.

Masons Will Meet At Summerville

A district meeting of the Masonic lodge, with members of every lodge in Union county present, will be held at Summerville Friday evening. This is the first district meeting since spring and an interesting time is anticipated.

Plan Union County Grain Display At Pacific International Exposition

After winning most of the prizes in the grain division at the Wallowa county fair Union county farmers are now planning to send the grain exhibited there, with additional samples to the Pacific International Livestock exposition to be held at Portland, Oct. 20 to Nov. 6. The grain display at the adjoining county fair was the best ever shown from this county, according to H. G. Avery, agriculturalist.

All of the fair first prizes were won by Union county farmers. Hugh Barron, of Imbler, received first on his bushel of hybrid 128 wheat, first on his soft federation wheat and first on his exhibit of oats. Luther Hindman, of Elgin, received second on his oats and J. A. Gaskill, of Imbler, won first on hard federation wheat. C. C. Con-

Parent-Teacher President Tells Of Conditions

Mrs. W. W. Gabriel Declares Portland Supports East Normal

Members of the Portland Parent-Teacher association have endorsed the Eastern Oregon normal school bill and are working for it. Mrs. W. W. Gabriel, president of the Oregon Parent-Teacher association, told her audience last night when she spoke in the high school auditorium here before a fair sized crowd.

Before the state president was introduced by Mrs. Carl G. Helm, district vice president for the state P. T. A., County School Superintendent A. E. Sayre gave a talk on the value of the parent-teacher organizations and said that he would welcome one in every school in Union county.

FINANCES OF OREGON ARE IN ARREARS

State Treasurer Kay Expects to Borrow from \$500,000 to Million

GENERAL FUND IS OVERDRAWN \$10,000

Attorney General Rules That Kozor Shall Not Approve Voucher Calling for \$400.

SALEM, Ore., Oct. 6 (AP)—Attorney General Van Winkle ruled yesterday that Secretary of State Kozor should not approve at state penitentiary voucher for \$400 in payment of interest to a Salem bank on a \$10,000 loan procured by Governor Pierce to apply in the operation of the flax industry at the prison.

Records show that Pierce borrowed the \$10,000 Oct. 1, 1925, and that on March 31, this year, a statement was received for interest amounting to \$209. The payment was not made then, and on May 7 a statement claiming additional interest of \$61.67 was received. Since May 7 a part of the note has been paid, cutting it down to \$6,928.55.

No Legal Authority The attorney general's opinion holds not only that the voucher for \$400 interest should not be approved, but also holds that Governor Pierce had no legal authority to borrow the funds and thereby create the liability.

Since the liability has been created, however, the attorney general holds that the governor may present the interest claim to the next legislature for approval or rejection. Secretary Kozor said the voucher would be returned to the warden of the prison.

Governor Pierce the records show, has already borrowed from the general fund of the state on the credit of the prison revolving fund, the full \$50,000 allowed by the revolving fund act. The state emergency fund during the summer allowed a deficiency appropriation of \$100,000 at the governor's request for the flax industry at the prison, it being the governor's intention to repay this from proceeds of the industry.

General Fund Exhausted State Treasurer Kay announced yesterday that the general fund of the state is now exhausted and over drawn to the extent of between \$100,000 to \$120,000 and that as a result he will have to borrow from the banks of the state at low interest rates between \$500,000 and \$1,000,000 before the second half of the state taxes come due in November.

State Treasurer Kay said today that he would borrow from the banks of the state which he is allowed to do by law, so that it will not be necessary to mark state warrants "not paid for lack of funds." The treasurer has already called upon the banks for part of the money that will be needed.

On Oct. 1, 1925, the general fund contained about \$1,125,000. By the same date this year the amount was reduced to about \$1,125,000. By the same date this year the amount was reduced to about \$1,125,000, and in the last few days has become entirely depleted and overdrawn.

Tax Basis Reduced Recently the state treasurer had to pay heavily in interest and principal on state highway bonds. To do this it was necessary to

Apple Shipments Total 1,008 Cars

NAMPA, Idaho, Oct. 6.—Of the 6000 carloads of livestock, grain, dairy products, poultry, eggs, potatoes, fruit and other commodities to be moved to the markets during the month of September from the fourth district, extending from Elgin's Ferry to Huntington, Ore., 1000 carloads were apples. It is advised by railroad men of Nampa.

Of these carload shipments there were the following: Harts; 2; oats; 11; wheat; 185; other grain; 7; flour; 48; other millstuff; 16; evaporated and canned fruits; 24; hay and straw; 22; merchandise; 113; fire and hulls; 19; citrus fruit; 1013; packing house products; 15; potatoes; 112; by 2; and eggs; 12; vegetables; 17.

There will also be other Union county exhibits at the Pacific International besides grain displays, including fat beef calves and hogs from the boys' clubs, some purebred gilts and perhaps a few dairy calves. H. O. Wheeler, of Union, plans to enter a fat beef steer in the open classes, and Green and Prather, of Union, expect to send some purebred short-horns.

12,000 RESCUED FROM WUCHANG

Women and Children Are Taken from War-Torn, Starving City

HANKOW, Oct. 6 (AP)—Two rescue launches and several lighters are now engaged in bringing 12,000 women and children to this city from the neighboring city of Wuchang where Northern and Southern Chinese are at death grips. The rescue was effected Sunday and Monday after a previous attempt had failed when the ships were fired on and forced to return, although opposing forces had previously agreed to the rescue.

The northern troops holding Wuchang against the besieging Cantonese, have permitted the impoverished element of the civilian population to depart, holding the better classes in the city.

Caring for Rescued Charitable organizations are caring for the rescued who relate appalling stories of conditions in Wuchang.

Spud Digging Next In Wallowa Valley

WALLOWA, Ore., Oct. 6 (Special)—Some of the Wallowa county farmers expect to start digging potatoes soon. The late plantings have been slow in ripening.

This recent frost killed the tops, which had been kept green by August and September rains. The demand for the potatoes is reported to be good, with prices ranging at more than \$2 a hundred on better grade spuds.

12 Cars of Prunes Shipped From Cove

COVE, Oct. 6 (Special)—Twelve cars of prunes have been shipped from here since the frost, although the cold weather damaged the crop considerably. Some of the fruit that cannot be shipped is being sent to the canneries and some will be dried.

John Bean now has his dryer operating and the dryer on the Covin place is also being filled.

KING OF SWAT SHINES

George Herman Ruth, affectionately called the Babe by his millions of admirers, rose to the supreme heights today when he knocked three home runs in five times at the plate. Ruth reached first the other two times via the free route, the pitchers feeding him balls that he disdainfully struck at.

Daugherty Case To Go to Jury Late This Week

NEW YORK, Oct. 6 (AP)—The defense rested unexpectedly today in the Daugherty-Miller conspiracy trial.

The jury was excused and motions for striking out parts of evidence and directions of verdicts acquitting the defendants were adjourned until afternoon when summations will begin.

Neither Miller nor Daugherty took the stand.

William Rand, counsel for Miller, is to make his summation this afternoon.

Max Steiner, counsel for Daugherty, is to make his tomorrow morning and U. S. attorney Emory Buckner is to make the government's summation tomorrow afternoon.

CARDINALS RALLY IN NINTH INNING

Hornsby Crosses Plate When Bell Singles But No More Tallies Are Registered.

SPORTSMAN'S PARK, ST. LOUIS, Oct. 6 (AP)—The New York Yankees evened the world series with the St. Louis Cardinals by winning the fourth game, featured by 2 home runs by Babe Ruth, 10 to 5. Ruth hit for the circuit in the first, third and sixth innings and smashed half a dozen world series records by his performance.

Hoyt pitched tight ball in the pinches for the winners, while St. Louis used Rhen, Reinhart, H. Bell, Hallahan and Keen in the box.

With a last minute change sending Clint Rhen, young right hander to the mound, St. Louis today sought to make it three straight from the New York Yankees in the fourth game of the world's series.

Manager Huggins sent Waite Hoyt, his youthful veteran to the box in an effort to even the series with the Cardinals and send the Yankees slumping. The contending managers stood out on the rest of their respective lineups. Ruth was again in left field, leaving Bob Meusel to battle the sun's rays in right.

With two victories to the credit of the National league champions, the Yankees went into the game with their backs to the wall. In the three games already played the American league pennant winners had done little hitting. They announced before the game that today would see them snapping out of their slump.

There was another colorful crowd, filling the stands to their capacity of approximately 30,000. The Cardinal rosters could see nothing before the game but another victory and a triumphant note marked the advance cheering.
