YOU ARE THE STATE!

You Guarantee Its Debts And Pay Its Bills

The Housewives' Council "Water and Power" Bonding Amendment asks you to authorize five self-selected individuals, without training or experience, to spend Fifty-three Million Dollars at their uncontrolled discretion in state irrigation and hydro-electric experiments.

This new constitutional Board would have political, economic and financial powers unparalleled in any free and progressive country.

Oregon will protect her citizens from the losses of state speculation by rejecting this revolutionary political proposal.
