## OUT OUR WAY

## AT THE THEATERS

### "Sealed Lips" Showing Last Time Tonight

There is no doubt that in any really fine picture, a great deal of its effectiveness is due to the work of its character actors. The star bears the burden of living up to his or her own reputation but the character actors must often "push over" to the audience the bits of color and the "punches."

Once on the train Tom grasps a hand of crooks and defeats them in a terrific hand-to-hand battle while Tony jallops alongside, still eager to be in the contest.

Helene Chadwick and other well-known screen favorites appear in the supporting cast. The list includes Phyllis Haver, Ethel Gray Terry, Emily Fitzroy, Charles Clark, Jr., William Lawrence, "Spec" O'Donnell and many others. Jack Hystov directed.

### Tony Has Big Test in Mix Picture

Tony, wonder horse of the Tom Mix ranch, has had some big moments in his screen career, but according to his master the lionhearted animal exceeds all previous performances by the work he does in "Hind Holed." Fox Films version of Shannon Pfeiffer's romance of the West, which begins a three-day showing at the Star theater today.

In this story, told in the great open spaces, Tony has to dash so close to a rapidly-moving train

### Ziegfeld Musical Comedy Shown At Arcade

That was years ago but Florenz Ziegfeld still holds sway as the director of Broadway extravaganzas. "Ziegfeld says" has become a trade mark in the musical comedy world.

If Ziegfeld sticks his stamp of approval on anything, that places it above reproach! Ziegfeld says that brunettes are the thing and the entire male population of the nation loses its preference for blondes. The maestro issues an ultimatum to the effect that plump bodies are favored and suicide figures on slender girls immediately jump beyond belief.

It was Ziegfeld who took Eddie Cantor under his wing when he put "Kid Boots" on the amusement map. "Kid Boots" and his star hit Broadway up for three whole years and attracted more than a million people to one theater.

Now—the same play is available

to every city in the world. Paramount has taken Eddie Cantor and placed him in a motion picture version! "Kid Boots" with its formidable star arrives at the Arcade theater today for a three-day stay.

Cantor heads a cast which Ziegfeld himself might well be proud of. There's low plays opposite the star, Billie Dove, late of the Foxes, and Lawrence Gray, Gloria Swanson's leading man in "Stage Struck" and "The Untamed Lady," are also featured.

There were eye specialists in Egypt by 500 B. C.

## A THREE DAYS COUGH IS YOUR DANGER SIGNAL

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. (adv.)

## WHEN WE THINK THE OTHER FELLOW KNOWS

Some people would be far better off if they used their own judgment rather than placing so much confidence in the judgment of the other fellow. The lack of self confidence has cost many a man a considerable sum. If we were able to think as fast as the other fellow can talk, likely our judgment would save us money.
