RUTH'S DEVOTION—And Ruth said, Entreat me not to leave thee, or to return from following after thee: for whither thou goest, I will go, and where thou lodgest, I will lodge: thy people shall be my people and thy God my God.

In one county of a wheat growing state 125 thickets of common barberry bushes were recently eradicated by the department of agriculture, destroyed with salt and kerosene. The barberry bush carries the black stem rust which kills grain crops.

EUROPEAN BUSINESS ALLIANCE
The Pan-European Congress, with 26 states represented, has been considering "ways and means to bring all continental European states under one economic head."

Here is an ideal that makes an American exporter or traveler, accustomed to the cutthroat competition and customs barriers of European countries, sit up and rub his eyes. It has been generally supposed that business warfare among the nations was even more inevitable than military warfare.

Yet four continental nations, Germany, France, Belgium and Luxembourg, have already agreed upon a plan of economic cooperation, and here are most of the others seriously discussing the same question.

And if Europe becomes "Pan-Europe," a federation of nations sworn to keep the peace and run their business for mutual benefit, what will the result be on American business? Will it develop into an Old World business alliance against America? Friends of the new plan disclaim any such purpose; but the growing dislike of America and this country's tendency toward isolation suggest such an outcome.

TEMPERANCE WORK
Ontario, Canada's chief province, facing its own prohibition problems, has not been content with leaving the burden upon legal enforcement. It has organized a Prohibition Union in which private citizens play a part no less important than the enforcement officers.

"Women control 54 per cent of the voting strength of Ontario, and we felt that we had to line up their organizations on the side of prohibition. After my appointment I spent two months attending W. C. T. U. and Women's Institute conventions, and met with a powerful response. We sent out letters to 1200 branches of the Women's Missionary Society of the United Church and hundreds have responded.

This effort is along the lines that will have to be followed in the United States, if prohibition is to be successful. It is more important to stop bootleggers from providing it for them. The latter must be done—laws must be enforced as fully as possible; but it is the former that is fundamental. If people can be persuaded to stop patronizing the illicit liquor traffic, there will be no more illicit traffic.

Such movements are sound because they appeal directly to the conscience and will of the individual, upon which reform necessarily depends. A private temperance movement is not merely a valuable addition to any public venture in prohibition, but is probably essential. American women, while generally giving their approval to legal prohibition, have been strangely slow in such practical prohibition work as their Canadian sisters are doing. It is only what the American women themselves were doing before the responsibility for de-alcoholizing the nation was placed on the shoulders of the government.

Union's Eleven Defeated 13-12 By Powder Team

UNION, Oct. 11 (Special)—Those who saw the Union-Powder game played on an assured victory for the Union eleven, had to change their opinion after the game was finished here Saturday. North Powder won by one point, the final score standing 13 to 12. Although she made only one touchdown to Union's two, a couple of successful place kicks and the securing of the extra point following their touchdown gave them victory. Union trials for the extra point both went wide.

Union began the game in a position for a place kick which went over. This was the only scoring in the first half, which ended with Union in possession of the ball about the middle of the field. After a few line plays in the beginning of the third quarter, Huxwa carried the ball around the end and made first touchdown, but Huxwa's kick went wide. In a few minutes Powder, after gaining long yardage on a penalty, forward passed the ball over the line and added seven more points to the three. In the last quarter J. Cox, who had laid out part of the game, came back in and went over the line following another and running out score up to 12. In the last few minutes of play Powder attempted to force her way over the line, and failing in this, she made an end run to get the ball in front of the goal. Then a place kick netted them just enough to win on to one point. So little time was left that no more scoring was possible and Union's best chance for winning their first game was gone.

BAKER SWAMPS HALFWAY TEAM IN SLOW GAME

BAKER, Ore., Oct. 11.—The Baker "Hulldogs" made an average of one touchdown every six minutes and amassed a total of 58 points against their opponents' nothing in a slow, uninteresting game with the light Halfway team Saturday. In the first half Baker's first touchdown came through the Halfway line at well and by the end of the game it had made six touchdowns. The second string backfield composed of Carson, Macklin, Thomas and Lindroth, was put in at the beginning of the second period and other substitutes were sent in all during the last half. A man in Indianapolis who stole a suitcase here didn't need any of its output for his head. A bachelor is a man who is as selfish he even wants to keep all his troubles for himself.

Imbler Beaten By Enterprise, 58 to 6

Enterprise whipped Imbler soundly when the two teams opened the fall football season Saturday afternoon, the score at the end of the game standing: Enterprise 58, Imbler 6. During the last half the Imbler team rallied and held the visitors to 15 points. In the first half Enterprise ran wild, scoring 29 points. Jimmy Rosenbaum, of La Grande, refereed.

GUARD ELEVENS FAIL TO SCORE
Baker and La Grande Teams Battle to Tie in Baker Sunday
A foot game was played yesterday afternoon between Baker and La Grande football teams under the auspices of the national guard companies of the two towns, at Baker, resulting in a scoreless tie. Both teams played good football, with the La Grande eleven probably outplaying the Baker team during the first half. It was unable to score, however, and the game ended with neither team scoring a point. Sberow, who helped the blue and white team of the local high school bring home many victories, was the outstanding player on the La Grande team. The two teams will meet for a return game here. Although the date has not been definitely decided upon it will probably be sometime in the near future.

ST. LOUIS WINS FIRST WORLD CHAMPIONSHIP

(Continued from Page One)
The great Alexander, wearing greater as the series wore itself out, shuffled in from the bullpen to Tony Lazzari and there were strikes, and the championship was almost to St. Louis. Alexander was quite willing to finish the game. He turned back all Yankees but Ruth, who was sent to strike in a peevish when he refused to drink at three balls, just missing corners of the plate in the sixth inning. The Yankees drove in runs and with two great fielding plays turned the Yankees back when they were off work would have spilled the beans and gold for the men who were to take the first world championship to the Mississippi from the Hudson. Records Shattered
Records proved scraps of paper in the series. Marks for attendance and receipts went to the board with a compilation of 223,951 cash customers who paid \$1,267,864. Babe Ruth crushed his way to seven records. His three home runs in one game and a fourth in his closing struggle made editing of the record books necessary. Making four runs in a game, driving in as many, receiving 11 bases in hits in the series and other minor efforts marked his activities. He made six hits and lifted his batting average for seven world series to .253. All but 12 records fell and three others were tied. For the third year in succession, his clutch was extended to its natural limit of seven games and on the third time in as many seasons the ultimate winner came on behind. Ruth Did His Best
Babe Ruth did his best to win his final game. He got a home run on his only chance to hit the ball as he was passed four times. He also made a bases-clearing catch, making his sensational fielding acts for the series three—a marvelous catch and perfect throw to win a runner at the plate having made baseball history in previous seasons. Waite Hoyt pitched well, but his mates did not field so well as he pitched and after a pinch hitter pitched, Reynolds finished a game already lost without further damage to his reputation. The Yankees blasted the supposition that the team scoring the first run wins for Ruth hit his home run in the third inning when he Cardinals were absolutely innocent of offensive results. Not for six was the lead to stand. Cards score in Fourth
The Cardinals were up and at them in the fourth. With one out, Bottomley sent a left handed slug-

ALEXANDER WAS SCARED
COLUMBUS, Ohio, Oct. 11 (AP)—After a hilarious night, rattling to St. Louis from New York scene of their world series conquest, the Cardinals were sound asleep in their berths upon arrival here today. Only Graver Cleveland Alexander, yesterday hero, could be aroused sufficiently to answer a single question. "How did you feel when you were sent to the box in the seventh inning to stop the Yankees?" he was asked. "Scared to death," he mumbled as he ducked back in his berth. A green motorist makes a fat Ruth brought his big bat to the repair shop.
