

BRISTOL STRIPES

a new, exclusive fabric
by *Society Brand*

You'll be particularly taken with these colors—corn tans, smoke grays, rust browns. And the weaves are just as original—honeycomb patterns, new diagonals and herringbones. There never was anything like them before! Moreover—in a suit of Bristol Stripes you can be certain the style is as fine as the fabric. It always is in Society Brand.

PORTLAND, Ore., Oct. 14 (AP).—Values in the local egg market are following the upward flight of other markets. Today extras are posted 2c higher on the dairy exchange at 49c. Current receipts are under 400,000, advanced a cent to 41 and 28 cents, respectively. Firsts and pullets held firm and unchanged.

Country dressed meats and live poultry are quiet along the coast. Demand was only moderate and trading slow. Top veal generally sold at 16 cents with choice light loins at 15c.

There is a fair call for hams and turkeys but springs moving slowly. Prices are unchanged.

The Jordan river in Palestine has never been navigable. No important towns exist along its banks and it empties into a salty inland sea. Its valley was the wilderness of Hebrew times, and today is thickly forested.

In this country it is hard to tell whether it is a shot or the backfire of an automobile you hear in the streets.
