Widow: No, it was suicide. He knew that I baked the cake.

Wives can't really think their husbands are made of money, or a lot of them would have them changed.

3 KAYOS MARKED UP IN A. L. CARD

Webster and McCormack Fight Draw—Jackson Wins in Second

(Continued from Page One)

and in a draw. Some of the fans last night expressed the opinion that McCormack had a slight edge, but others disagreed.

Rabe Kayoed
In the semi-final, Jack O'Malley, because of a broken hand, was unable to come and Steamboat Jack of Wallace, Ida., substituted quite successfully—knocking out Jack Rabe, of Spokane, in the second round with a sleep producing punch to the chin.

The first round was fairly even with both absorbing several punches. In the second Steamboat found an opening and rocked Rabe to the canvas for a count of nine. Following up his advantage he put the other down and out within 20 seconds after Rabe resumed fighting.

Becker-Breedon Special
In the special six-round event, Carl Becker, of La Grande, and Bearent Breedon, of Boise, fought a draw. Becker, with his bull like rushes and clever defense, seemed to pile up more points but Breedon took the offensive enough to even up matters.

Two Knockouts
The preliminaries were on par with the other fights of the evening. Knockouts in each one put the crowd in an excellent mood for the longer scraps to come.

Kermit Davis, of La Grande, after going down in the first of the round, came back with a one-two combination that sent Eddie Moorhouse to dreamland before the frame ended. The Watta Watta lad, although putting up a good scrap, couldn't handle his cooler, more expert adversary.

Dud Woodfin, of La Grande, started off the parade when he polished off the Keelan, of Watta Watta, in the third round. Keelan looked good in the first, scoring one knockdown, but in the second Woodfin came back and punished the Washington lad. In the third with Keelan weakening, he found the chin for the winning punch.

Multnomah Club May Disband Its Football Eleven

PORTLAND, Ore., Oct. 19 (AP)—The Multnomah amateur athletic club directors are considering disbanding the football and this will be done if arrangements cannot be made to cancel scheduled games. Much depends, in this proposed move, on a suggestion to the Olympic club of San Francisco, that the game between the two clubs set for Portland Nov. 6 be cancelled.

Poor showing by the Multnomah club team in the two games so far this season and small attendance at the game last Saturday in which Multnomah was defeated by Gonzaga 55 to 0 is the reason given for the board's action. In the first game of the season the club team was beaten by Oregon Agricultural college, 67 to 0.

"HAVE A CAMEL" IS MUSIC TO YOUR EARS

Camel is totally different from any other smoke. . . . It is more than a cigarette. . . . A lighted Camel is smoking enjoyment realized—the closest thing to the perfection of taste this old earth ever knew.

Camel's popularity has no equal. Camel demand exceeds any other cigarette preference ever known. To say "Camel" is to ask for the world's most popular cigarette. And to light a Camel is to taste the best.

For there's a solid reason back of the fame and the enjoyment of Camels. Quality. Camels are rolled of the choicest Turkish and Domestic tobaccos money can buy . . . blended for matchless taste and fragrance.

If you would know how mild and mellow a smoke can really be, just treat yourself to a pack of Camels. Once you know what these words mean, they're music . . . "Have a Camel!"
