SHE'S A JILL OF TRADES

LONDON (AP)—Mrs. Rosa Gott is a jill of all trades. In addition to being assistant overseer for Bacton and Witton and collector of taxes, she is clerk to the Parish council and Parliamentary registrar. She conducts a building business, left to her by her husband, is deaconess in the Baptist church, superintendent to the Sunday school and a moving spirit in the British women's Temperance association.

Mrs. Gott is such an efficient tax collector that only one account out of 250 entrusted to her this year recently remained unpaid.

NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil). The inventor, V. M. Johnson, 161 North Union ave., Portland, Ore., is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month. —Adv.

AT THE THEATERS

Fred Thompson And Silver King In "Tough Guy"

The pound of big action, the flash of scenic thrills, the glow of human interest and the bond of friendship between a man and his horse are vivid highlights of "The Tough Guy", in which Fred Thompson and Silver King caper blithely across the screen for the entertainment of their thousands of admirers.

The title expresses the character of the leading role in which the buoyant and breezy Fred is reported to achieve quite the most distinctive bit of acting in his career.

Thompson is rapidly clinching his hold on the affections of hundreds of thousands of theatergoers all over the world for his clean and wholesome entertainment in Western productions. "The Tough Guy", in which he is compelled by force of circumstance to be many degrees tougher than the men who serve under him on a ranch, was written by Howard Clifton and is a refreshing departure from the usual Western drama as it is built.

Dave Kirkland directed and in the cast will be seen Lela Todd, Robert McKim, William Courtwright, Billy Butts, Leo Willis and Silver King.

"Quarterback" Football Film At Arcade

Football's in the air. Don't you see those pigeons sailing? Can't you hear the crowds cheering? "Come on, Colton. We want a touchdown!"

Well, if you'd been at the Arcade last night, you'd have seen it all. "The Quarterback", a corking college comedy, brought Richard Dix back to the screen. The highest praise to give this film is to say that it's better than "Let's Get Married." That's praise enough.

Dix is the son of a man who has been attending university since 1899 because he promised his wife that he'd stay at Colton till their

Buck Jones in Fighting Pacifist In Star Picture

Buck Jones, the stalwart cowboy of Fox films productions has a new kind of role in "The Gentle Cyclone" which is showing at the Star theatre today and Saturday. He is a fighting pacifist and his two-fisted attempts to restore peace bring about many highly amusing situations.

Jones, as Abalom P. Wales, a harmless looking individual, is drafted to act as arbiter in a chronic dispute between a couple of hard-boiled families of the West.

"I have come," says Abalom as he enters the sheriff's office "to help settle this quarrel between Marshall and Wilkes—think I'll have any trouble?" Then before the sheriff has time to answer, the disputers enter and both lay claim to the soft-spoken peace-maker as a gunman. In a few seconds a free-for-all fight is in progress with the sheriff acting as referee. One of the combatants, of course, is Abalom, while on the sidelines is the judge, who hopes to have the pleasure of sending both parties to the penitentiary.

It would of course spoil the story to narrate it in detail, but Abalom continues his efforts and

WHEN WE THINK THE OTHER FELLOW KNOWS

Some people would be far better off if they used their own judgment rather than placing so much confidence in the judgment of the other fellow. The lack of self confidence has cost many a man a considerable sum. If we were able to think as fast as the other fellow can talk, likely our judgment would save us money.
