FEW modern women but employ a new and different way in hygiene. A way that supplants the old-time "sanitary pad" with true protection.

Wear filmy frocks and light things . . . any time. Dance, motor for hours without doubt or fear.

It is called "KOTEX" . . . five times as absorbent as the ordinary cotton pad!

Thoroughly deodorizes . . . thus ending ALL fear of offending.

Discards as easily as a piece of tissue. No laundry. No embarrassment.

You ask for it without hesitancy at any drug or department store simply by saying "KOTEX." Costs only a few cents. Proves old ways an unnecessary risk.

EASTERN OREGON LIGHT AND POWER CO.

"Always At Your Service"

Robert N. Stanfield

is the only representative from Oregon that has actually reduced taxes to the people of Oregon.

In the O. & C. bill the 17 land grant counties have received a tax reduction of 25% each year and for all time, in addition they are receiving EIGHT MILLION DOLLARS cash at once with which they can reduce their debts.

Senator Stanfield proposes to apply the same principle to the Forest Reserves, which will give all the taxpayers and you a reduction for all time of from 25% to 40% in your taxes. There are 501,515 acres of Forest Reserve land in Union County.

There is only one way to bring this about, and that is the re-election of Robert N. Stanfield, the present Republican Senator. Robert N. Stanfield, and he alone, can retain for Oregon the important committee memberships and chairmanships.

Robert N. Stanfield's record for labor is 100%.

If you want Oregon to prosper, industry and payrolls to increase you will mark your ballot.
