## Teachers and Parents Favor Normal in City

The Greenwood Parent-Teacher association met in business session Friday afternoon preceding the program when Gilbert Minthorn, Indian leader, addressed the parents and teachers present in the Indian language.

During the business meeting the Greenwood association went on record as favoring La Grande as the location for the Eastern Oregon Normal school. The picture machine committee gave a report and presented the machine, a still film projector, which it was instructed to buy. This machine will be used as a means of visual education. A varied list of pictures has been procured, some of them in color, and will arrive later.

The picture framing committee reported that bids had been procured for the framing of pictures purchased from the recent art exhibit. There is one picture for each room, chosen by the children of the room. Mrs. J. K. Charleton, Mrs. E. D. Towler and Mrs. E. W. Landry are on this committee.

A committee was appointed to have charge of the sixth year of lunches for the children of the school during the winter months.

Mrs. C. P. McPherson, president of the society, began a detailed report of the state parent-teacher convention held at Salem, which will be continued at the next meeting of the association. Mrs. Berry, delegate to the Woman's Christian Temperance union conference held here, gave a report of that meeting.

Mrs. Herbert Voruz was awarded a prize by the association president for bringing in the largest number of new members during the recent drive. Mrs. Voruz enlisted 22 new members.

During the program, Mrs. Mildred Lovett and Miss Frieda Johnson's pupils sang three Indian songs; a group of students from Mrs. Ithib Kanara's room gave an Indian dance and Mrs. Towler sang two numbers, "In the Garden of My Heart" and "Coming Home." Mrs. Harris French accompanied her at the piano. These numbers preceded the talk by Gilbert Minthorn, which was interpreted by his son, William.

After the program a social hour was observed, and coffee and cake were served. Plans are to have a social at every meeting of the association from now on, when the parents and teachers will have an opportunity to visit.

The Central Parent-Teacher association met Friday afternoon in the high school auditorium in regular monthly meeting.

After the meeting was opened with prayer by the Rev. C. V. Dunn, reports were given by the various committees.

Miss Edna Gekeler played two piano selections during the program hour, and Miss Mildred Hoyt's pupils, dressed as Puritan maidens, gave a number in keeping with the Thanksgiving season.

Mrs. C. B. Johnson told of the state convention of parents and teachers held at Salem and which she attended as a delegate from the Central P-T. A.

A picture, a prize for the room having the most parents in attendance, went to Miss Hoyt's room.

The Riviera Parent-Teacher association held an evening session in the chapel Friday.

The chamber of commerce, quai-let sang; Mrs. W. Kelly played a piano selection; Mrs. Gundum gave a vocal number, accompanied by Mrs. Huff at the piano, and Miss Mabel Doty presented a musical reading, "My Mother's Wedding Gown," in which she wore her own mother's wedding gown.

Mrs. J. T. Longfellow read a paper entitled, "Women and Causes."

The association voted to frame the pictures recently won by the various rooms in the art contest during the exhibit at Honan hall. Refreshments were served by the committee in charge, after the program.

At the next meeting the men will have charge of arranging the program and the sociable afterwards.

Put into a hot oven for 20 minutes, then reduce heat and roast about two hours.

**Toiled Oats Bread**  
One and one-half cups rolled oats, 2 cups boiling water, a tablespoon salt, 1 tablespoon lard, 1/2 cup molasses, 1 yeast cake (compressed), 1/2 cup lukewarm water, 5 cups wheat flour.

Four boiling water over oats and add salt and lard. Let stand until lukewarm and add yeast cake dissolved in lukewarm water. Add molasses and stir well. # LEARNING THINGS

Children aren't taught words by syllables any more, but by their meanings. They learn it's the use of a word that counts—not merely its pleasing sound.

When you buy, you know it's the use of a product that counts, not merely its pleasing sound. You can learn its uses and all it means—before you buy. If you read the advertisements, you know definitely how a certain refrigerator will act in your own kitchen; how that furniture polish will improve your own chairs. What is advertised *has* to do what it's advertised to do. Advertisements are honest. They invite too many thousands of testers not to be honest. Their continued advertising proves them honest! You take advertised facts on faith—as you take the dictionary on faith. You know that the perfume, hosiery, canned goods they describe are the perfumes, hosiery, canned goods widely enjoyed. You read advertisements to know the true meaning of things before you invest in their use.

WOMEN by the millions are discarding the old-time "sanitary pad" for a new and scientific way.

A way that offers protection unknown before. A way, too, that solves the old embarrassment of disposal.

It is called "KOTEX." Eight in 14 better-class women now employ it.

Discards as easily as a piece of tissue. No laundry. No embarrassment.

It's five times as absorbent as ordinary cotton pads!

You dine, dance, motor for hours in sheerest frocks without a second's doubt or fear.

It deodorizes, too. And thus ends ALL danger of offending.

You ask for it at any drug or department store, without hesitancy, simply by saying "KOTEX."

Do as millions are doing. Enjoy old, insecure ways. Enjoy life every day. Package of twelve costs only a few cents.
