It Still Rings

NRA, San Francisco Bureau. Not a bit in 150 years has this bell failed to sound for "The Founders" of Mission Santa Clara, California. It and two others were given to the mission by the King of Spain with the injunction that they be rung daily at 3:30 p. m. The duty support for the bell picture here was played up recently when the mission was destroyed by fire.

RUDE IS IT
CAMDEN, N. J. — A 15-year-old bride is now on a happy honeymoon after a sound spanking. Margaret Scott, of Port Jervis, N. Y., eloped with Russell Blessing, 21, of Philadelphia, and they were detained by the police here. Came Mrs. Scott, who punished her daughter in the police station in the old-fashioned way. Then came Mrs. Blessing, a conference of mothers and blessings from both Blessings and Scotts.
