NEW HOOP RULES ARE DISCUSSED Aggie Coach Declares Alterations Will Not Affect Coast Tossers

OREGON AGRICULTURAL COLLEGE, Corvallis, Dec. 6—Changes in basketball rules for the coming season will not affect the playing on the coast to any great extent in the opinion of Coach Bob Hager, Aggie cage mentor. The rule stating that a diameter be drawn in the center circle parallel to the end lines to denote the part of the circle belonging to each jumper may be left out as far as Pacific coast conference basketball is concerned, according to Coach Hager.

Oregon Tossers Opening Season With Three Vets

EUGENE, Ore., Dec. 6 (AP)—Three of the brightest stars on the basketball firmament of the Pacific coast last year will be back in the game again this season for the University of Oregon. Roy Okerberg, lanky center; Alko (Swede) Westergren, high-scoring guard; and Jerry Gunther, forward, are ready for the start of the season, and will form the nucleus of the Westast aggregation. Westergren and Gunther were on the all-coast first team last year, and Okerberg was selected on the all-coast second team.

An exceptionally good fresh team last year will provide ample material to fill the two vacancies on the squad created by the graduation of Howard Holston, forward, and Charles Jost, guard.

The Oregon team is planning a barnstorming tour during the Christmas holidays, but the trip will consume only a week's time this year.

That Oregon will have tough competition in the conference this year is indicated by the reports from other institutions.

Washington, Idaho and the Aggies of Oregon appear at the start of the season to be the strongest contenders for the title which Oregon gained last year—championship of the northern division of the coast conference.

BEWARE THE COUGH OR COLD THAT HANGS ON

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. (Adv.)

Catholics Win In California; Grant Hi Loses

Notre Dame's strong football eleven nipped out the University of Southern California in Los Angeles Saturday 13 to 12. The Trojans have lost but two games this year, both by the same score. Stanford, march champions, won the other.

The victory leaves Notre Dame's slate for this year clean with the sole exception of Carnegie Tech, which won 19 to 6 from Rockne's protégés the same day the Army and Navy battled to a 21 to 21 tie in Chicago.

Medford Wins The strong high school team from Medford, undefeated for several years, decisively demonstrated its superiority over Portland eleven when it swamped the championship Grant team 24 to 6 Saturday. Medford showed over four touchdowns before the Prosidents could score via the forward pass route.
