A. A. U. Settles Up With Hoff, Too Late

NEW YORK, Jan. 3 (AP)—The Amateur Athletic union announced today that the controversy with Charley Hoff, involving a $100,000 suit for damage against the A. A. U., had been ended by a compromise settlement on expense money claimed by the Norwegian pole vault record breaker. Hoff accepted approximately $300.

Bears Control Trading Today In Wall Street

NEW YORK, Jan. 3 (By the Associated Press).—Reactionary price tendencies developed in today's stock market. The apparent failure of operators for the rise to attract a public forray after an opening display of strength in sugar shares and several specialties led to a renewal of bear attacks, which centered in recent industrial and railroad favorites. Baldwin Locomotive fell nearly five points below last week's close before it met effective buying support. Selling of the motors probably influence in the cut in prices on one of the best known cheaper cars.

Sugar Jumps

An advance in refined sugar prices furnished the motive for heavy accumulation of sugar shares under the leadership of South Porto Rican, which was bid up over five points.

Heaviness of Atchison quickly spread to other high grade rails, particularly Chesapeake and Ohio, New York Central and Union Pacific.

The closing was weak. Speculative selling increased in the final hour when quotations of several high priced stocks began to break badly. U. S. Cast Iron Pipe lost 11½ points and Loose Wiles Biscuit eight. Sharp declines also occurred in Atchison, American Smelting, International Harvester, Case Threshing and New York Central. Total sales approximate 1,200,000 shares.
