LOCAL EYES FOCUSED ON LEGISLATURE

Two Hoped-For Appropriations of Especial Interest to La Grande

NORMAL, ARMORY CHIEF QUESTIONS

Every Effort Possible Will Be Made to Have State Match \$40,000.00 Fund.

The eyes of the state's population are today centered on Salem, Ore., where the 34th legislative convocation and Governor L. L. Patterson, republican, takes the wheel of the ship of state from Governor Walter M. Pierce, democrat.

Particularly are La Grande eyes focused on the state capital. Besides a passing interest in the reorganizing of administration and the reestablishing of office by La Grande's governor, two items of especial importance to this community...

First, the Eastern Oregon normal school, which the Oregon normal school regents located in La Grande, and which will serve that vast territory east of the Cascade mountains as a training institution for teachers.

The question of most importance is the appropriation. When the people of the state voted to locate a normal school in Eastern Oregon, no provision was made for its financing, leaving the entire matter for the legislature to take care of by appropriation.

How Much? The general feeling is that an appropriation will be made but what is more important is how much will it be?

A month ago it was estimated that \$175,000 would be needed to build the normal school. By the first of the year the sum in question was being quoted at from \$150,000 downward to \$125,000 and now, as the legislature is in session, whippers of \$100,000 are being heard.

Governor Pierce, in his farewell message today, said: "The normal school located at La Grande should have an appropriation of at least \$175,000 for the construction of the necessary buildings."

A few hold the opinion that only part of the money necessary to complete the school will be appropriated this term of legislature, with the remainder slated to come two years later when the financial conditions of the state has been eased up a bit.

Others believe that the appropriation will be made in two years.

Two interesting services were held at the First Baptist church, "Dwellers in the East Country," was the pastor's subject in the morning and in the evening the young people of the church made up the choir for the morning services.

Churches Here Attract Large Crowds Sunday

Pageant Presented by the Wayfarers' Guild—Seattle Pastor Speaks to Presbyterians.

St. Peter's Episcopal church was well filled last evening when the Wayfarers' guild presented a pageant, "Why the Chimes Rang," an epithym scene, portraying the people bringing gifts to the Christ Child.

As a part of the pageant the choir sang behind the scenes and as the gifts were revealed and the angel appeared, chimes were heard.

Verle Rappin took the part of Holger; Irene Spencer was Steen; Jack Holmes, Bertel and Lillian Walter the old woman. The king, the queen, the wise woman, the princess and the beautiful woman also took part in the pageant.

These parts were taken by Marian Crowe, Doris Barnes, Theima Bray, Virginia Warnick and Frances Walter.

Second of Series. The costumes and lighting effects added much to the lights.

The pageant, which is the second of a series given by the guild, is directed by the Rev. and Mrs. Oliver Riley. Mrs. Fred Curry assisted for the costumes.

A missionary, the Rev. Mr. Kopp will speak at St. Peter's church the end of this month. He is visiting various churches conducting what is known as the "Bishops' Crusade."

He will be in La Grande three days.

At the Presbyterian church a large crowd attended both morning and evening services yesterday when the Rev. Daniel J. Kerr, of Seattle, Wash., occupied the pulpit.

The quartet gave several numbers and Mrs. Ray Miller sang "Come Ye Blessed of My Father" by Scott at the morning service.

Two good sized audiences attended the services of the Central Church of Christ yesterday, also, besides 175 in attendance for Sunday school. Twenty-six attended the junior church, which is an unusually large number, the pastor reports.

A mixed quartet composed of J. D. Caldwell, Joe Williams, Mrs. C. E. McPherson and Mrs. Dora Laumann, sang in the evening and the young people of the church made up the choir for the morning services.

MORE SCHOOL CHILDREN IN THIS COUNTY

Census Shows Increase of 260 for La Grande in One Year

BOYS, AS USUAL, OUTNUMBER GIRLS

Total Persons in All Districts Between Ages of Four and 20 Counted at 5,554.

The school population of Union county during the past year showed an increase of 143-72 of which were boys and 96 girls—over the year 1925, according to the school census, which has been taken since the month of October, and the report just completed by E. A. Sayre, county school superintendent.

In La Grande there were 260 more persons of school age, between the ages of four and 20, last year than in the previous year.

Total of 5,554. The census of the year just finished shows a total of 5,554 persons of school age. As in previous years the boys in this county outnumbered the girls, there being 2,899 boys and 2,655 girls, or a total of 5,554.

More Boys Here. In district number one, which (Continued on Page 6)

AIRMAIL RATES TO BE CHANGED

Beginning February 1, Will Charge Flat Rate of 10 Cents an Ounce

Beginning Feb. 1 the present complicated zone system by which charge of airmail is regulated will be forgotten and a flat rate of 10 cents for every half an ounce will be charged for letters or other mail going by air route anywhere in the United States.

When airmail contract routes were few, the zone system, which called for an additional stamp for each zone, was not so difficult, but since these routes have sprung up in so many places, it is almost impossible for post office clerks in the west to know of the various routes, by which a letter may go in the east, or an eastern postal clerk to know of the western routes, it is said.

The straight rate will not only simplify the checking of airmail for post office employees, but will also make rates on airmail considerably cheaper.

Rotarians Hear of China's Condition

W. E. Priestley, American who is representing commercial interests from China with headquarters in Seattle, was a guest of the Rotary club at its noon luncheon today in the Foley grill. Priestley, who has spent much time in the Orient, gave an interesting address, dwelling on conditions in the war-ridden eastern country and giving local people an insight into affairs there that cannot be gained from ordinary sources.

CITY SUPPLY OF WATER IS AT NEW PEAK

Reservoir Full and Well Not Being Used—Pipeline Is Adequate

BEST CONDITION IN LOCAL HISTORY

Purity of Water Also Shatters Former Mark, State Board of Health Test Indicates.

Probably no other January in recent history has found the conditions governing the supply of water to La Grande in a more satisfactory shape than at present.

A short time ago the water problem hovered over the city almost continuously, being broken only during the spring months and early winter when moisture was plentiful enough to insure an adequate supply.

The \$185,000 voted a year and a half ago to remedy the situation has successfully accomplished its purpose and now La Grande has, actually, water to waste—although it is not wasted in any sense of the word city officials declare.

The deep well near the Second street viaduct, with a flow of nearly a million gallons each 24 hours, is not being used at present but is being held in reserve. The Hoover creek gravity system is delivering plenty of water for both commercial and private uses and a large amount is still being supplied to the railroad company, which has been overhauling its deep well during the past several weeks.

In former years the city had to pump water from the river during the winter because the Beaver (Continued on Page Five)

Gamblers Give Forfeit of \$150 To City's Purse

The police department's campaign against gambling in all forms in La Grande, which was started last year, bore more fruits over the week end, when six men arrested in the Gordon rooming house failed to appear for trial and thereby forfeited \$25 each to the city treasury.

Forfeitures are classed as convictions as the authorities take the position that this automatically establishes guilt, with the bond money counting the same as fines. On more serious charges, the men would probably be re-arrested, but usually in minor matters the forfeitures are entered as convictions and the matter closed.

Garret Hearing Set. The case, however, is not closed as far as E. O. Garret, proprietor of the rooming house, is concerned. Wednesday night the city commission will consider revoking his license. Garret was convicted of possession of liquor and fined \$125 late in December when a first raid on his place netted several gamblers and some liquor.

Saturday's forfeitures brings the total number of convictions on gambling charges since Jan. 1, 1926 up to 41. With punishments closed up before this time, these stand as more serious offenses.

The six who forfeited \$25 each follow: Jim Cotton, Nick Arsen, Nick Andros, Angelo Milos, Nick Rapaich and Don Campbell.

The announcement that "Rain" is shortly to be seen at the Arcade theater is creating much interest among local stage devotees. Few attractions in recent years have so gripped American audiences as this play, founded on W. Somerset Maugham's story, "Miss Thompson," critics say.

Sadie Thompson is the heroine of the tale and as a character she has become known from coast to coast. Isabel Withers, New York star, will portray this role and she is said to make her living, breathing reality. The acting, such as the play affords, is declared to be far above ordinary.

Advance reports are that there is considerable fun in the play and the cast supporting Miss Withers, and headed by Harold Slater and Howard Nugent, is described as of metropolitan excellence.

Mrs. M. Hunt Joins Her Husband Here

Mrs. M. M. Hunt and little daughter Joan, arrived yesterday from Eugene to join her husband, who was recently appointed manager of the J. C. Penney company store in La Grande.

Hunt declares that he is pleased with this city and expects to make it his permanent home. He has been with the Penney company for 19 years.

Income Tax Men To Come Here Feb. 28

Deputies from the office of Clyde G. Huntley, collector of internal revenue, will visit La Grande and Enterprise for the purpose of assisting income tax payers in preparing their returns and computing their taxes. It is announced. The men will be stationed in the federal building here.

The men will first go to Enterprise, remaining there from Feb. 24 to Feb. 26, then coming to La Grande to stay here from Feb. 28 until Mar. 5.

Superior Court Dismisses All Aimee Charges

Ormiston, Mrs. Kennedy and Mrs. Wiseman Also Freed—Keyes Requests Case Be Dropped.

LOS ANGELES, Cal., Jan. 10. (AP)—Charges of criminal conspiracy against Aimee Semple McPherson, evangelist; her mother, Mrs. Minnie Kennedy, Kenneth G. Ormiston and other defendants, growing out of the disappearance case were dismissed here in superior court today on motion of District Attorney Asst. Keyes.

Keyes came into the court of Judge Albert Lee Stephenson, where Ormiston, former telephone radio operator, and who the state charged assisted the evangelist in the alleged disappearance "hoax," appeared for arraignment on an indictment charging conspiracy, and said: "I recommend the dismissal of charges against Mrs. Aimee Semple McPherson and her co-defendants, Kenneth G. Ormiston, her mother, Mrs. Minnie Kennedy and Mrs. Lorraine Wiseman-Slaff."

Judge Stephenson granted the request. Keyes, however, reiterated his charges that she had left here in the company of Kenneth G. Ormiston, her former radio operator, and not in the hands of kidnapping as Mrs. McPherson steadfastly declared.

His case, he said, rested squarely on the testimony of Mrs. Slaff, who since the preliminary hearing of Mrs. McPherson at which she was held for trial "has changed her story almost daily until it contains so many contradictions and inconsistencies to the one given in court, that she has become a witness for whose truth or credibility no prosecutor could vouch."

Wallowa Girls to Play Here Saturday

Principal E. D. Towler, of the high school, this afternoon arranged for a game of basketball to be played here Saturday night, beginning at 8 o'clock, between the Wallowa and La Grande girls.

This will be the first game of the season for the 1926-27 champion squad.

Semester Exams On in High School

The first semester tests and examinations are being held in the high school this week. Quizzes are in progress now and the final examinations, to take but one period, will be held Wednesday.

The present policy is to place less emphasis on final exams and more on daily work and consistency throughout the year.

New freshmen are to register at 1:30 p. m. Friday and other students may register Thursday of Friday morning and, at the latest, Monday at Principal E. D. Towler's office.

To Sing Cadman's Songs at Meeting

Besides having the Mimic staff as guests tomorrow at the regular forum luncheon of the Union county chamber of commerce at the Sommer hotel, two of Charles W. Cadman's songs and a sketch of his life will be given, an announcement of the Cadman concert to be held here Wednesday evening, Jan. 19.

Mrs. F. B. Appleby will announce the date and character of the concert. Miss Ann Stange will sing his song "At Dawning" and Kermit Russell will sing "My Decision." Mrs. E. L. Holmea will be piano accompanist.

Miss Lois Nelson, Miss Dorothy Eberhard, Elmer Glen, Kenneth Thompson and Miss Mabel Bennett will represent the Mimic, the high school annual publication.

Income Tax Men To Come Here Feb. 28

Deputies from the office of Clyde G. Huntley, collector of internal revenue, will visit La Grande and Enterprise for the purpose of assisting income tax payers in preparing their returns and computing their taxes. It is announced. The men will be stationed in the federal building here.

The men will first go to Enterprise, remaining there from Feb. 24 to Feb. 26, then coming to La Grande to stay here from Feb. 28 until Mar. 5.

Sinclair Denied Review of Case

WASHINGTON, Jan. 10. (AP)—Harry D. Sinclair was denied a review today by the supreme court in his complaint of the senate case growing out of his refusal to answer inquiries of the senate oil committee.

Called Greatest

Cadman is known as "The greatest living American composer," and already has 500 published works to his credit, ranging from the simplest songs to opera.

76 KIDDIES VICTIMS OF SHOW PANIC

Montreal Theater Scene of Tragedy After Deadly Call of "Fire"

SCORES TRAMPLED ON IN MAD RUSH

Bodies Wedged So Tightly in Stairway That Firemen Had to Cut Through Wall.

MONTREAL, Jan. 10. (AP)—Victims of a movie disaster more tragic than ever flickered on the silver screen, 76 children lay dead today crushed or suffocated by a fire stamped Sunday in the Laurier Palace, a theater in Montreal's east end.

This morning 68 of the little victims had been identified at the city morgue, while eight others still awaited recognition. Autopsies established that sixty of the children died from asphyxiation; eleven were crushed and five lost their lives from a combination of asphyxiation and burns. More deaths seemed likely among the scores still in the hospital.

Fear Causes Tragedy. The tragedy was caused by fear, as the fire which started the rush for the exits was comparatively trivial.

The Laurier Palace is a two-story building with a stone and brick front, and has been in operation several years. The seating capacity is about 1,100 and it was well filled yesterday, with the usual number of children in the audience. Adults also attended.

The palace has four exits, two at the front, into which the stairs from the balcony lead and two at the side, opening into a lane which leads to a side street.

Monday's performance featuring a comedy film "Gee's 'em Young" —deadly irony in light of the disaster that was to follow, was barely under way when there was a flicker of flame and a belch of smoke from the projection room beneath the balcony.

Some one saw it and the dread cry of "fire" was raised. Bedlam ensued. The crowd, drawing from the surrounding French Canadian and foreign district fled for the exits. Those on the ground floor seem to have reached the open without great difficulty.

Those in the balcony, terrified by the panic, were unable to get down. (Continued on Page 8)

Six to Represent La Grande, Union

Two Union county schools will send six students to the annual meeting of student body presidents, editors and other officials in Eugene the latter part of this week.

La Grande will send Edna Gekeler, A. G. S. secretary, and Dorothy Eberhard, assistant editor of the Mimic, accompanied by Mrs. McVey.

Union will send Murray Jensen, Susan Chadwick, Corrie Skiff and Marie Smith, accompanied by J. W. Baxter. They will leave Wednesday.

The students will, besides attending the convention, stop at Corvallis and will be guests at the Oregon-Willamette basketball game.

Earl Reynolds to Attend Cove Meet

Earl Reynolds, secretary of the chamber of commerce, will go to Cove this evening where he will attend a public meeting regarding the completion of the Mill Creek road by the forest service, the county court and the Cove citizens, cooperating.

The meeting will begin at eight o'clock in the Cove school house.

Mrs. A. L. Richardson in Portland To Train With Charles W. Cadman

The Neighborhood club committee in charge of the Cadman concert here Wednesday evening, Jan. 19, at the Laffey Day Saints laboratory, is working daily preparing for the program, and everything is practically ready.

Mrs. A. L. Richardson, soprano, who will assist Charles W. Cadman, composer and pianist, left here Sunday night with Dr. Richardson and will coach with the famous composer for a few days in Portland, before the concert.

It was through Mrs. Richardson that Cadman was looked to appear in La Grande several months ago by his northwestern representative, and since that time his program has been looked forward to with great interest.

NEW GOVERNOR

I. J. Patterson became the chief executive of the state of Oregon today, succeeding Governor Walter M. Pierce, of La Grande, who has served since the first of January, 1925.

Gov. Patterson will conduct his administration on a business foundation, he pledges.

Both houses convened earlier than usual for the opening day in order that a joint session might be held at 1:30 o'clock in the afternoon to hear the messages of outgoing and incoming governors. Both will broadcast their messages in Portland tonight.

Pierce's Farewell Message. SALEM, Ore., Jan. 10. (AP)—Five major issues were presented to the legislature in the farewell message of Governor Walter M. Pierce, who retired today after four years as chief executive. These were hydro-electric development, reforestation, taxation, law enforcement and irrigation.

Declaring that Oregon should follow the example of Washington in production of low-cost power, Governor Pierce recommended passage of a law making it possible for any district or city to organize, acquire power sites, issue bonds, construct hydro-electric plants and sell power. Not only should factory wheels be turned, but homes in city and country should be lighted and heated, he said.

Appointment of the state board of forestry by the governor without the necessity of following suggestions of organizations interested in timber has the law now provides was urged by Governor Pierce in his discussion of forestry. He also urged a severance tax on timber, the entire proceeds to be used in reforestation.

Talks on Taxation. A large part of the message was devoted to taxation, and Governor Pierce reiterated recommendations for a state tobacco tax and the granite graduated income tax bill. He claimed credit for reduction of more than \$2,000,000 in the state tax levy had resulted from a ten month experience with an income tax which was repealed. He urged a tax on excess corporation incomes, and increase of corporation fees.

Governor Pierce declared that the sentiment for law enforcement grows steadily better as the years come and go. He said there was a decided increase in the degree of law enforcement in Oregon today than when he became governor. "There is not 5 per cent of the liquor consumed in Oregon today that was consumed 19 years ago, and the amount is growing less year by year," he declared.

He praised the highway commission, and recommended that there be no decrease in automobile license fees or gasoline tax, but suggested that license on old cars be reduced and, if necessary increased on new and high priced cars.

The governor reviewed finances of the state penitentiary, which he claimed to have put on the way to becoming self-supporting. He urged that the central building of the penitentiary be made fire-proof, as he said it was now a fire trap.

For Old-Age Pension. He urged that no change be made in the industrial accident law and recommended that self-sustaining commissions should turn in their receipts to the general fund. He proposed a new state office (Continued on Page 5.)

SENATE'S GUN IS LOADED FOR VARE

WASHINGTON, Jan. 10. (AP)—A resolution to reject the credentials of Senator-Elect Vare, of Pennsylvania, will be called up whenever Governor Pinchot's qualified certificate of election is presented, Senator Hill, democrat, Washington, author, said today.

Agreement was reached by senate and house conferees today on senate amendments to the rivers and harbors bill.

A rehearing of its recent five-four decision prohibiting physicians from prescribing more than one pint of liquor every ten days was denied today by the supreme court.

Five Catholic Bishops Arrested

MEXICO CITY, Jan. 10. (AP)—The Rev. Pascual Diaz, bishop of Tabasco and secretary of the Mexican Catholic Episcopate, and five other bishops today were seized under arrest.

Musicians here as everywhere, are familiar with much of his work. One of his song cycles "The Spring of the Year," was presented by Mrs. Richardson here last spring and was so well received that an invitation was received to repeat it in Pendleton.

Dr. Margaret Ingle is general chairman in charge of the concert. Mrs. F. B. Appleby and Mrs. E. L. Holmes are members of the publicity committee and Mrs. Hugh E. Brady has charge of the ticket sale.
