The First Chain of Service Stores in the Northwest

For years Cash Store "Chains" have been operating and it is particularly gratifying to us to be able to announce to the people of this community this new idea, a Service Store "Chain," the first of its kind in this part of the country. Our policy is to sell Quality merchandise. Your money has a standardized value, good any place, or time, and we propose to give you equal value in pure food products in return for it.

**WE WELCOME
CHARGE ACCOUNTS
OF
RESPONSIBLE
PEOPLE
ON A
30-DAY BASIS**

We will gladly extend the convenience of monthly credit to responsible people. All such accounts must be paid in full by the 15th of the following month, as the prices which we quote necessitate such a rule. We feel certain that a large number of responsible people have need of such a service and will take advantage of the lower prices made possible by this organization.
