**My Maytag is the best I have ever had. It washes so fast and so clean that I can't believe it. I have had other washers but they were all slow and inefficient. This one is a real time saver. I have had it for two years and it is still going strong. I would not trade it for anything else. It is a real gem.** — Mrs. J. O. Duff, Medford, Ore.

Nothing that we could ever say could possibly compare with the actual experiences, the affection and regard displayed for the Maytag by the women quoted above—your friends and neighbors.

Is it any wonder that such a washer should far outstrip all others in popular demand?... necessitating the greatest shipment the world has ever known after months of trainload selling.

You can understand why almost as many Maytags are sold as all other makes combined by trying it yourself, without any obligation. Phone or write us. We'll send a Maytag to your home free. Try it. Wash with it. Give it any test. Then if you're not convinced that it is the best washer made, call us and we'll take it away.

Remember, if it doesn't sell itself, don't keep it.
