BEWARE THE COUGH OR COLD THAT HANGS ON

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified croscote that is pleasant to take.

Good morning, folks, or I mean good evening, as I am telephoning my ad in the morning and you won't read it until evening, so perhaps I should say "How are you?"

PRODUCE MARKET GAINS STRENGTH

Practically All Lines Displaying Firmer Tendency Today

PORTLAND, Ore., Jan. 24 (AP)—Practically all lines of farm produce are displaying a firmer tendency as the week opens, due to winter conditions prevailing over most of the country.

The feeling along produce rows, however, is that prices will be firm on the first offerings and continue higher as long as snow and freezing temperatures hold on.

Country dressed meat arrivals were light today and a normal amount of business was done.

Receipts are not so heavy and a better call is shown along the street. No change in prices.

Butter production is falling off and the market is showing a strong undertone.
