TOP GRADE EGGS A CENT HIGHER

Advance Due to Higher Levels Maintained in Coast Markets

PORTLAND, Ore., Feb. 3 (AP).—Top grade eggs are a cent higher on the local exchange today with extras posted at 25 cents and firsts at 28 cents a dozen. The advance is due more to higher levels in outside markets than any additional strength here.

Receipts continue fair with only an ordinary demand. Arrivals yesterday amounted to 374 cases. A week ago receipts were running from 1200 to 1500 cases daily.

Local coolers are now bare of stocks and ready for the 1927 deal. Just how great storage facilities will be this year is still in doubt. Most of the operators were fortunate to break even last season, and some took a loss. One thing is sure—no high-priced eggs will be put away this year.

Outside of a fractional decline in prime first cubes to 44 1/2 cents, the local butter market is steady and unchanged. Extras are still holding at the 45 1/2-cent level with standards at 45 cents. Surplus stocks from the country are not so heavy now but the local market is increasing.

Live poultry continues scarce and firm along the coast with values fully maintained. Heavy hens are quoted at 25 cents with light hens at 21 cents.

Country dressed meat prices are still holding, at least on top stuff, although the market has a very weak undertone. Top calves continue to bring 18 cents with choice light hogs going at 17 cents.

Further weakness is shown in

binations in the home and will give you any help or ideas without cost. Take your decorating problems to Richardson "The Art Man" at Richardson's Art and Gift Shop.

If you are threatened with La Grippe and want quick relief, try our concentrated prescription for La Grippe. It will relieve you in 24 hours. \$1.50 a bottle sold only at Silverthorn-Wright's Family Drug Store.

the potato market. Growers are now more eager to sell but buyers are indifferent. Best offers in country around \$1.40.

Most of the local dealers are cleaning up their holdings and disposing of stocks at best price obtainable.

Wholesale prices along the coast range from \$2.25 to \$2.40 for U. S. No. 1 Burbanks and from \$1.75 to \$1.95 for combination grade. Very little of the Oregon stock will grade No. 1 and top quality is still good property.
