

# Spring Frocks

The compose, bolero—two-piece and two-piece effect are especially stunning in the newest spring dress creations. Street and afternoon frocks have never been prettier nor more varied.

Georgettes are especially in demand when it comes to materials. And color reigns supreme—two and three-tones—bright as spring weather, are combined in these charming models.

## Many, Many Lovely Styles To Choose From

Your spring frocks will, more than ever, emphasize personal charm and style taste. Gunning are the models, clever is the fine tailoring. And never have we had a wider range, a greater stock of smart dresses to start the spring season than right now. Every size is here (with special attention given to those requiring larger sizes) and there is a color combination and new style to best become every personality. Values are impressive at this price range—

"I can't afford to take any chances with my voice—my job depends on it. And so I stick close to Lucky Strikes—the one cigarette I've found that is completely enjoyable and doesn't dry my throat."

*Dolph Thomas*

## "This Is KOIN Announcing"

Dolph Thomas—noted Portland announcer—smokes Lucky Strikes and recommends them.

Lucky Strikes are mild and mellow—the finest cigarettes you ever smoked. They are made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process in treating the tobacco. "It's toasted"—no harshness, not a bit of bite.
