Parents, Teachers Gather at Tea At Lane Chapel

About 100 parents and teachers, representing the four associations of La Grande and the associations of Kameia and Island city, attended the general tea given yesterday by the Riveria school association at Lane chapel, to which all parent-teacher associations of the county were invited.

The room was attractively decorated by Mrs. Clyde Davis and her committee, with bouquets of the season's cut flowers and potted plants. An interesting program was given during the afternoon.

Miss Jean Williams presented a musical reading, followed by a talk by Mrs. J. C. Camp on "New Methods and New Problems in Training Children." Virginia Sheldahl played a piano solo and Mrs. M. F. Kennedy talked on "Kindred Interests of Parents and Teachers." Valerie Harper played a piano solo, after which the Rev. G. A. Pollard spoke on "The Responsibility of the Parents and Teachers to the Child." Mrs. Gilbert gave a reading, after which the program closed with a vocal solo by Miss Hansen, accompanied by Miss Sturzel on the piano.

Mrs. Carl Helm, district vice-president of the Oregon Congress of Parents and Teachers, was present and introduced the subject of organizing a county council of parent-teacher organizations. The idea was favorably commented upon by the county school superintendent, E. A. Sayre, and others, and plans were made for a meeting to be held sometime early in April, for the purpose of organizing.

While tea was being served everyone was given an opportunity to become acquainted, all present being tagged with their names and the parent-teacher association they represented.

Members of the refreshment committee poured. They were Mrs. George Hilyard, Mrs. W. J. Kelly, Mrs. Snyder, Mrs. Louis Wetzel and Mrs. J. H. Day.

Mrs. C. E. Towery was general chairman in charge of the tea.

Twenty-four members of the La Grande Neighbors of Woodcraft lodge went to Enterprise Monday evening, where they attended a reorganization meeting of the Enterprise lodge and had charge of the initiation of a large class of candidates.

The meeting started with a dinner at 6 o'clock, followed by the regular lodge session, after which the remainder of the time was spent at music and dancing.

Missionary Group In Annual Dinner

The annual banquet of the Home and Foreign Missionary societies of the First Methodist Episcopal church was held last evening in the basement of the church with about 60 in attendance.

The program given during the evening was one of much interest. Mrs. H. W. Parker presided and introduced the various speakers and other participants in the program.

As the guests were seated at the banquet tables at 6:30 o'clock four missionary workers were introduced, who gave short accounts of their work. Mrs. Butler, one of the founders of the foreign missionary society of the M. E. church, was the first one introduced. Mrs. A. W. Leffel represented Mrs. Butler. Mrs. Hartzell, one of the founders of the home missionary society, was represented by Mrs. Hickox. Mrs. A. E. Klumpp represented Mrs. Nicholson, now national president of the foreign missionary society and Mrs. Lydia Grady represented Mrs. Thirkield, national president of the home missionary society.

Each wore appropriate costumes and gave interesting talks about the work of these women.

A message was read from Mrs. Colin Cowan, who has been a missionary to West China, but is now at Columbia university, New York, telling of conditions in China at present. This message was given over an imitation radio.

Mrs. W. M. Pierson and her daughter, Bernita, played a piano duet, and Miss Bethel Trill sang two numbers, accompanied by Miss Dorothy Brown on the piano.

Mrs. Leth H. Aves spoke of her work in Madagascar, where she spent several years as a missionary.

The program ended with a play-

let, which showed the work in home missionary hospitals of the church, in which Eva Jane Irwin, Mona Gasset, Fay Hamilton, Agnes Collins and Doris Duncan took part.

The banquet tables were decorated in blue and white colors. Clever placards gave the names of missionaries instead of the names of the guests.

Miss Minnie Card, of Baker, state vice president of the Degree or Honor Protective association, attended the regular meeting of the local chapter last evening at Eagles hall. Last night was Mrs. Card's last official visit to the lodge as vice president before the state convention, which will be held in Portland April 14.

Mrs. Nell Swan was elected delegate from the local lodge to attend the convention. She is a past president of the Degree of Honor here.

One new member, Florence Green, was initiated last night.

Mrs. Julia Hiatt resigned as treasurer of the lodge and Mrs. Julia Carey was elected to take her place.

A social meeting, to which the husbands of the lodge members will be invited, was planned for the next regular meeting.

Miss Crofton Will Marry Paul Stiles

To the surprise of her La Grande friends comes the announcement that Miss Isabel Crofton will become the bride of Paul Stiles at a church wedding on Easter Sunday at The Dalles. It was received here this week.

The announcement was made at a dinner for the bride-elect given by her sister, Mrs. Lewis Gunning, at the Hotel Italia.

The wedding will take place in the Methodist Episcopal church at high noon.

Miss Crofton made La Grande her home all summer two years ago, during which time she worked with Mrs. E. H. Hoidal in her millinery department at Hill's store.

Since then she has returned to La Grande on several occasions, having worked for Mrs. Hoidal two weeks last fall. Her home is at The Dalles.

The wedding of Miss Alice Hoffman and Howard Hetlock was quietly solemnized Saturday evening at 8 o'clock at the parsonage of the Central Church of Christ, by the Rev. C. V. Dunn performing the ring ceremony.

Mr. and Mrs. Frank Hofer accompanied the bride and bridegroom.

Mr. and Mrs. Hetlock will make their home in this city. He is employed by the Polaris Motor company here, in the used car department.

This club has a limited membership and is composed of women who take up a more serious study of arts and crafts. Miss Cleaver was elected to membership several weeks ago and a short time ago was elected secretary.

SHE SPENDS MILLIONS AS STATE BUDGETER

TOPEKA, Kan.—Lucy Stoners take heed. Many women who manage only a family allowance refuse to use their husband's name, yet Mrs. C. W. Wetherton, who budgets the income of the whole state of Kansas and annually directs the spending of more than 25,000,000 dollars, signs her husband's name to all financial documents. Her only way of asserting her individuality is to prefix "Mrs."

When the Kansas senate refused continuation as budget director to Norton A. Turner, Mrs. Wetherton, the assistant, assumed all the duties of that office. She had formerly been assistant state auditor. In the last two years, Mrs. Wetherton has controlled a budget of 55,000,000 dollars.
