Freshman Class Host to Mothers At Annual Tea

The freshman tea, one of the annual social events of the school year when the members of the freshman class entertain their mothers, took place yesterday afternoon at the high school auditorium.

The affair was very successful, probably due to the excellent cooperation of the freshman mothers and students.

The auditorium was decorated in green and white, the class colors, and during the afternoon an interesting program was given.

Stanley Zundel, the class president, gave the welcoming address and Miss Gilda Ashby gave an 18-fashioned dance. Claire Perkins played a piano solo, "The Olga Boatman." Carl Melnick and Robert Stoddard sang a duet number and an instrumental trio, composed of Adolph Seigrist, piano; Seville Pratt, violin, and Stanley Zundel, clarinet, played a selection. Miss Virginia Warnick sang.

Following the program, the mothers were introduced to the various high school teachers by the students.

Refreshments of sandwiches, tea and candy were served.

The American home department will have charge of Tuesday's meeting of the Neighborhood club, which will be held in the club rooms in the library building. Mrs. L. H. Moore, chairman of the department, will preside.

The program will include a talk by H. E. Butler, landscape gardener, on "The Culture and Care of Shrubs and Trees." In addition to Mr. Butler's talk there will be several musical numbers, including a selection by the Miller violin ensemble.

A sociable will follow the meeting. Something unusual is being planned by Mrs. T. A. McKinstry, chairman.

About 100 members were present for the Royal Neighbors' meeting last evening at the K. P. hall. It was the regular lodge session and during the evening the district convention was discussed and it was decided to change the date of the convention from May 21 to September in September, because of conflicting conventions the last of May.

Lunch was served and a sociable enjoyed after lodge. Mrs. Stella Weeks was chairman in charge.

Members of the Junior Bridge club were entertained at an attractive party yesterday afternoon when Mrs. Andrew Loney Jr. and Mrs. Dick Lindsay were hostesses at the home of Mrs. Loney.

Three tables were at play during the afternoon and the first club prize was won by Mrs. Stanley Mills. Miss Carolyn Rosen that received the second and the guest prize went to Mrs. Lyle Kildie.

The season's flowers and potted plants were used to decorate the rooms. A two-course luncheon was served after the card games.

Mr. and Mrs. Jess Rosenbaum entertained the members of the J. J. B. club last evening. Bridge, at three tables, was the diversion of the evening. Miss Thelma Cheate and Porter Webb making high score and low-score prize going to Mr. and Mrs. L. B. Hanfield.

Donquets of rose colored sweet peas were used about the rooms. Luncheon was served after the card games.

The next meeting of the club will be Friday evening, April 1, when Mr. and Mrs. Al Herman will entertain.

Three tables of bridge were at play Thursday afternoon when Mrs. H. H. Hartenbower was hostess to the members of the Jolly Bridge club at her home on First street.

Mrs. T. E. Maxwell made high score and the consolation prize went to Mrs. Carl Duchan.

The rooms were decorated in seeping with Easter, the season's flowers being used. A two-course luncheon followed the afternoon's play.

The club will meet again Thursday afternoon, Mar. 31.

Mr., Mrs. Cleaver Guests at Dinners

Mr. and Mrs. Harry Cleaver are being entertained at a number of informal dinners during their visit here and at Imbler. Last evening they were dinner guests at the home of Mr. and Mrs. Charles Hinman and this evening they will be guests at the William Miller home.

Tomorrow they will be honor guests at a family dinner at the H. H. Cleaver home here.

Mr. and Mrs. Cleaver are on their way from Corvallis to Lafayette, Ind., where he will take a position as instructor in marketing and horticulture at Amherst college, and are stopping here for a few days visit with his parents, Mr. and Mrs. Charles Cleaver, of Imbler, and other relatives and friends.

He is an Oregon Agricultural college graduate.

A special meeting of the executive board of the Parent-Teacher Central council was held Thursday afternoon in the Neighborhood club rooms.

All of the four city organizations were represented, and during the meeting plans were discussed for bringing the Lowell Patton company, concert artists, to La Grande in September.

The details will be worked out in each of the parent-teacher organizations.

The Parkdale club will meet Wednesday, Mar. 30, at the home of Mrs. Fred Henning, 204 Adams avenue, with Mrs. Kate Hanley and Mrs. Ruth Hughes as assistant hostesses.

The Westminster society of the First Presbyterian church will meet Tuesday evening, Mar. 29, at the home of Mrs. Richard J. Thomas, 1305 Ninth street. Mrs. L. I. Busby will have the program. All members are urged to be present.

The Westminister society of the First Presbyterian church will meet Tuesday evening, Mar. 29, at the home of Mrs. Richard J. Thomas, 1305 Ninth street. Mrs. L. I. Busby will have the program. All members are urged to be present.

OUT OUR WAY

THEY USED T' BE SOME PLACES
WHUT THEY CALLED VAST SOLITUDES,
IN TH' FLAMIN', SILENT DESERTS,
WITH THER EVER CHANGIN' MOODS,
AN TH' HIGHEST MOUNTIN' LEDGES,
WHER TH' SILENCE MADE YUH DIZZY
BUT THER HAIN'T NO MORE SECH PLACES
SINCE INVENTIN' OF TH' 'LIZZIE'.

MENUS

By Sister Mary
BREAKFAST—Apple sauce, cereal, cream, crisp graham toast, broiled bacon, milk, coffee.
LUNCHEON—Cream of spinach soup, hot cheese sandwiches, celery and cabbage salad, canned strawberries, drop cookies, milk, tea.
DINNER—Boiled dinner of corned beef and winter vegetables, lettuce and tomato salad, maple nut charlotte, rye bread, milk, coffee.

Do you ever visualize your menus as you read them over? It adds much interest to the serving of them, for in this day of colored linen runners and cloths you can make the family luncheon or breakfast table a veritable picture. You yourself may be the only one at the table who really appreciates the color effect, but every member of the family will blindly, perhaps, enjoy his meal more than usual and your secret satisfaction will be great. The luncheon menu

is colorful and offers opportunity for experiment.
One-half cup scalded milk, 1/2 cup maple syrup, 1 teaspoon granulated gelatin, 4 tablespoons cold water, 1/4 teaspoon vanilla, few grains salt, 1/2 cup finely chopped nuts, 1 cup whipping cream, sponge cake or lady fingers.
Heat milk in top of double boiler and slowly add maple syrup. Let gelatin stand in cold water for 10 minutes and add to hot milk. Stir over hot water until gelatin is thoroughly dissolved. Remove at once from heat and place pan in ice water. When mixture begins to thicken add nuts, vanilla and salt and fold in cream whipped until firm. Line a mold with split lady fingers or thin slices of sponge cake. Pour in gelatin mixture. Chill before serving.
For a festive occasion, garnish with whipped cream and halves of nuts to serve. But the pudding is delicious served plain.

Bad! Better!! Best!!!

DIM LIGHT LACKS "PUNCH"
People pass such windows without noticing them—there is nothing to attract the eye.

GLARING LIGHT HURTS EYESIGHT
A brilliant light attracts attention to itself instead of to the goods in the window—blinds the eye—makes seeing difficult.

BRIGHT LIGHT FROM CONCEALED SOURCES
commands attention—displays the goods beautifully—makes seeing easy and holds the crowds.

X-RAY LIGHTING

from concealed sources
gives you the best light at the lowest cost.

† X-RAY Reflectors, the Show Window Searchlights, are the most powerful reflectors made and they last indefinitely. † They hide the glaring lamp, and on account of their scientific design, concentrate all the light on the merchandise on display. † None is wasted on the ceiling or sides of the window nor on the sidewalk. † These reflectors are the standard for window lighting. † Marshall Field & Co., Chicago, used 1500 X-RAY Reflectors constantly for thirteen years and when a few of these were tested by disinterested engineers in Cleveland, it was found they had not lost one per cent in reflecting efficiency. † X-RAY Reflectors are the only pure silver reflectors which last indefinitely.

FREE DEMONSTRATION
—We'll show you X-RAY Lighting any evening you say in your own windows. † Nothing will convince you more quickly of its wonderful superiority. † It is a necessity to any merchant. † Phone us. † Ask for booklet, "Standard Window Reflectors."
