We cannot seem to see. The modern idea of a "real hero" is getting to be just a plain, everyday man who pays his bills, keeps his hair cut, does his work and loves his wife.

Wife—I saw you kissing the cook today.
Husband—Yes, dear.
Wife—Were you trying to make her go or stay?

There are two sides to every question, her side and the wrong side.

LET THEM BE FIREMEN
A woman can dress in six minutes faster than a man, according to a recent test. Again we point with shame to the collar button. But their women's clothes, these days consist more of what they do not wear than what they wear. The boys will have one advantage this summer, though. There's still something left for them to take off. Women these days spend most of their time dressing on their faces. We wonder how a woman in this froufrouful day really looks. A married man used to have to wait for his wife to dress when they were going out. Now it's she who does the waiting. Women certainly have been emancipated, as far as clothes are concerned.

SAN FRANCISCO, Apr. 6 (AP)—John G. Friedrich, 45, chief operator of the Pacific coast division of the United Press for 11 years, died here last night. He failed to recover from an operation performed three weeks ago. He was well known on the Pacific coast and in Montana. A widow and three sisters survive.

What Is a Diuretic?
People Are Learning the Value of Occasional Use.
EVERYONE knows that a laxative stimulates the bowels. A diuretic performs a similar function to the kidneys. Under the strain of our modern life, our organs are apt to become sluggish and require assistance. More and more people are learning to use Doan's Pills occasionally, to insure good elimination which is so essential to good health. More than 50,000 grateful users have given Doan's signed recommendations. Scarcely a community but has its representation. Ask your neighbor!

AT THE THEATERS

"Soul Mates" At Sherrys A Comedy-Drama

The line between comedy and drama is so fine that it is sometimes hard to distinguish the one from the other. Take "Soul Mates," the Metro-Goldwyn-May picture which opened last night at the Sherry theater as an instance.

There is no doubt that this is a comedy, judging from the audience reaction, yet it is so subtly done that one can hardly discover what makes it that. The roles are played in all seriousness, with no attempt at burlesque or broadness, yet the twitch of an eyelid or the added stamp of a foot will bring a laugh where ordinarily there would have been a frown.

Alleen Pringle and Edmund Lowe play the leading roles, those of Velma Schudski and Lord Tattered.

Miss Pringle is photographed to great advantage, and has never done better work.

Edmund Lowe is as handsome as ever, and makes an almost unsympathetic role entirely playable to the audience. This is Lowe's first comedy, unless "Nelle, the Beautiful Cloak Model" might be considered that, and he does exceedingly well.

Minor roles in the picture are played by Phillipa Smythe, Antonia D'Algy, Katherine Bennett, Edythe Chapman, Mary Hawes, Lucien Littlefield and Ned Sparks. The story was adapted to the screen by Carey Wilson.

Vengeance Is Theme of Buck Jones Thriller

Hard riding, hard fighting and stunts of daring that thrill every nerve are the outstanding features of Buck Jones' splendid picture of the Basque country of the Pacific Southwest, which is the attraction at the Star theater today and Thursday. There is not a dull moment in this story of the cowboy who

WOMAN FINANCIER
NEW YORK—The tenth anniversary of our entrance into the war is the tenth anniversary of the sale of Liberty bonds by the greatest specialist in this line—a woman. "Mrs. D." as Wall street knows her, has traded in 30 billion dollars worth of them, more than any body else and nearly twice as many as were issued. Mrs. Irma Dell Eggleston came to Wall street from Grand Rapids because she wanted to release a man for fighting and try to help with the war. She liked the game so well and it was so profitable that she remained in it. She has done a \$35,000,000 business in a single day.

SWOPE SCORNS OFFER
NEW YORK—Wall street understands that it was Gerard Swope, president of the General Electric company, who declined a salary of a quarter of a million a year with a bonus of a million dollars worth of Goodyear securities to head the Goodyear Tire and Rubber company.

Three things to govern—tempor, tongue and conduct.
