Suggests Four Team League In Baker and Union

Efforts are being made by baseball interests in Baker and Union to start a four team league. According to word received this morning from A. W. Geddes, of Baker, to organize a baseball league this summer to include the three above named clubs and a fourth, probably La Grande.

Amateur ball would be played and restrictions placed on professional players. "Oaks can always put out a team that is very hard to beat, Baker has words of material. Haines finished first in the Interior league last year by a margin of 200 points, having five hitters above the 200 mark and one undefeated pitcher," Mr. Geddes writes.

He also declares that Cove, Baker and Haines are ready at any time to enter such a league.

Solons, got a homer in the fourth with the bases full.

Hollywood won the second game of its series with Los Angeles 8 to 7. Moss was wild in the third, and the stars put over four runs.

The Portland Beavers defeated the Oaks 5 to 3 in a free hitting contest. Oakland staged a rally in the ninth, getting two men on bases but a one handed catch by Frothro at third and a fast throw to first ended the game.

IMBLER BOYS TURN OUT FOR BALL PRACTICE

OREGON AGRICULTURAL COLLEGE, Corvallis, Apr. 8.—(Special) Marshal and Russell McKennon of Imbler were among the 50 freshmen responding to Coach Amory Gill's first call for rookie baseball practice. High school stars from Washington, Oregon, Idaho, and California are among the freshmen tilters.

After several cuts 22 men will be selected for a permanent berth on the squad. Coach Gill is well pleased with the material and says prospects are good for moulding a winning team. The schedule is not complete yet but the annual series with the Oregon frosh, the epic of the yearling's baseball season, will be played. The O. A. C. rooks won all four games of the series last year. Road trips to Eugene and Portland are likely.

Mickey Walker To Defend Title Soon

CHICAGO, Apr. 8 (AP)—Mickey Walker, world's middle weight champion, will defend his title against Tommy Milligan, the British challenger, in a 20-round international match in London in July. Jack Kearns, manager of Walker, said today that the match had been definitely closed. Walker and Kearns will leave for England within six weeks.

PHILLES' MANAGER MAY BE GOLF PRO

PHILADELPHIA—When "Stuffy" McInnis, manager of the Phillies, dons his glove for the last time and retires from the national pastime he may be found in the ranks of golf professionals. The famous first baseman is one of the best golfers in baseball. He plays whenever his managerial duties permit, and is a consistently low shooter. At his Florida training camp he made a par 72 almost regularly. "I like golf," McInnis said, "and the boys tell me I'm pretty good at it. Maybe I'll retire some day and get a job with some country club."

ELKY CLARK LOSES LONSDALE BELT

LONDON—Elky Clark, the flyweight champion of Europe, has been requested by the National Sporting Club to return the Lonsdale Belt.

Clark was matched to meet Alf Barber for the title four months ago and twice the match was postponed. Clark promised to fulfill the contract when he returned from America, but an injury to his eye has made it doubtful if he can defend his title this season.

Nearly all the farmers are acquainted with the new Superior drill. And the Black Hawk manure spreader that we are selling is one of the most wonderful pieces of farm machinery that can be bought. It has the manure out just like a carpet over your land. It has the Alomite lubrication system that oils every part of the bearings. We have a bargain list on machinery that is several years behind date that we can sell far below any price that you have ever heard of. Machinery is going good. With our little overhead expense if we can make a little on one article we are making a great deal in the long run because we sell in such large quantities.

Fannie Ward, Popular Actress of the American Stage writes:

"Being looked upon as a sort of female Ponce de Leon, I have to guard not only my appearance against oncoming years, but all those other things that cruel Father Time preys upon—especially the voice. When women ask me which cigarette will not age the voice, or irritate the throat, I open my little cigarette case and show them the one I smoke—'The Lucky Strike.'"

Fannie Ward

You, too, will find that Lucky Strikes are mild and mellow—the finest cigarettes you ever smoked, made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process—"It's toasted"—no harshness, not a bit of bite.

When in New York you are cordially invited to see how Lucky Strikes are made at our exhibit, corner Broadway and 45th Street.

If there are any farmers who didn't get a supply of singletrees while we were offering them at 65c each will say that we have just received another bunch. These are the 25c 2 1/2 inch strapped pattern, first quality. Our first shipment didn't last very long. One farmer took out eighteen in one order and another twelve. Our present shipment includes a number of the 25c 2 1/2 inch which are slightly lighter. You can have these at 80c each.

We hope the ladies will be on the lookout for the special we are going to offer them. It is a dollar item of real merit. We have sold dozens of them and they are something that should be in every kitchen. We are going to sell them one day only at 65c each and if you don't like them you can return them at any time within one week and get 75c.

SHOT PUT STAR IS LIVE STOCK MAN

MADISON, Wis.—A name once famous in the lists of college athletes is becoming as widely known in the livestock industry. It is that of Arlie Muecke, one-time holder of the world shot put record and the new secretary of the Wisconsin Live Stock Breeders' association.

Muecke, former University of Wisconsin student, continues his interest in athletics and is a well known football and track official in Wisconsin and South Dakota, where he has farmed and served as county agent since he came home from the world war.
