Claude C. Pratt Lumber Co. "The Poor Man's Friend" Near Foundry. Phone Main 248 No Sunday Business. We are too busy to write ads. The people are coming so fast that we need Claude C. Pratt to help write our ads. We are shipping extra lumber off to Portland today. The people there also seem to know where to buy. We are expecting a carload of fencing, a carload of shingles and a carload of lumber today and have an idea that most of it will go right out of the car door. There are so many people waiting that I don't have time to write an ad so I will let Mr. Pratt do that tomorrow night. The ad is well showing—if you go out visiting today you had better take an umbrella.
