### Ham and Bacon Shoot Held By Local Nimrods

The Oregonian's telegraphic trap-shoot tournament has but one more Sunday to run and Salem, Bend and Pendleton are all in a position to win first honors.

La Grande is in the first division and will be eligible to participate in the state shoot-off, if the Wing Pin and Ficketfoot club so desire.

Four clubs registered perfect scores yesterday—Bend, Pendleton, Couville and The Dalles—although most of the cities shooting were hampered by a high wind.

La Grande's team shot a 72, which was scored as follows: Jesse Breckers, Chase Bohrenkamp and Pete Kingsley, each 24 out of 25.

In addition to the tournament, the local shooters participated in a ham and bacon shoot. A large crowd of nimrods were in attendance, it is reported.

By The Associated Press  
Major league fans accustomed to leave the ball parks early to avoid the rush are getting out of the habit this year because of the way the teams are playing their most spectacular baseball in the first innings. Good examples of the whirlwind finish by which a game is won—or its complexion changed entirely—in the eighth or ninth inning, were seen in yesterday's games.

Apparently safe on the long end of a 3 to 2 count at the end of the eighth, the Browns lost to the White Sox, 12 to 5, as the visitors scored nine runs in the ninth.

The wallop on the finish was applied also by the Pirates who did most of their heavy hitting in the eighth to turn a defeat into an 8 to 3 victory over the Cubs.

While they led all the way in beating Brooklyn, 7 to 2, the Braves also saved something for the end and scored four of their runs in the eighth.

Such a thing as a batting rally had no place in yesterday's battle between the Cards and Reds who the world champions won 2 to 1 behind the veteran Alexander.

The Yankees and Athletics kept up their rapid hitting pace, by beating the Red Sox and Senators, respectively, 14 to 2 and 13 to 4. Detroit hit the Indian's ace, Chie for 14 hits in seven innings and a 5 to 1 victory.

A woman's husband generally is merely a windfall and no criterion of her taste in gentlemen, says a woman writer. Just the same, many a married man is pretty well picked.

PENDLETON, Ore., Apr. 18. (AP)—Walla Walla continued to lead the Blue Mountain League hammering out a 17 to 2 victory over Hermiston yesterday. The Bears heavy hitters slammed the Hermiston hurler's offerings to all corners of the lot. The score:

Walla Walla	17	12	3

Pendleton went into a tie for second place by defeating the Mission Indians, 7 to 3. ### WANTED TO BORROW A GOOD LUCK TOKEN

LOUISVILLE, Ky., April 18.—If anybody has a bit of luck token they'll not be needing, Shanty Gaffney, Louisville Colonel's helper should like to borrow it for the season.

Four times in his career with the Colonels, fortune has offered Shanty the chance to break in as a regular. Four times bodily injury lost him the chance.

This year he had finched a job as second sacker. On the last day in training camp, he broke his wrist. In 1922, he was a training camp sensation. Then he sprained his ankle and was out six weeks. While working third base in 1925, he dived for a hot skipper and came up with a sprained thumb.

He was an important factor in last year's drive for the pennant by Louisville, in a crucial game, he slid safely for a stolen base. The game was won, but Shanty, with torn ligaments in his leg, was out for the rest of the season.

The busy bee is so busy because he is so dumb, a French scientist discloses. Dumb, but somehow he doth it.

### ATHLETIC PEER TO VISIT U. S.

CAMBRIDGE, England—David Lord Burghley, will take the Cambridge University high hurdle team to America in May next to participate in the Pennsylvania Relay races.

Lord Burghley is the British record-holder for the 440-yard hurdles and has represented his country in the Olympic games and elsewhere. He is president of Cambridge University Athletic Club and has been a member of the Cambridge University athletic team for the past three years.

The visit of the team to the United States will be of short duration because of a recent ruling of the Olympic Games Association that no contestant in the Olympic Games may spend more than three weeks of each year outside the boundaries of his own country.

### WISCONSIN CREW OUT EARLIEST SINCE 1911

MADISON, Wis.—The University of Wisconsin crew is cutting the waters of Lake Mendota every day in preparation for the eastern regatta at Poughkeepsie, N. Y., at which the Rutgers will be the only representative of the middle west. Not in 16 years has Coach "Bud" Vail been able to get his crew out so early and he regards this year's outlook as much brighter than that of 1926, when the crew could not take the lake until late in April.
