By the Associated Press
A wild western baseball attack by the Indians, Tigers and White Sox slanted western teams to victories and as a result the race in the American league was more intense today.

Under the onslaught the Athletics dropped from second to fourth place with Senators while the Tigers and White Sox crowded New York for the lead and the Indians began climbing out of the rack.

For once both the Athletics and the Yankees were out hit as well as outscored by the opposition.

Yankees Defeated
The White Sox trounced the Yanks 2 to 1. Urban Faber beat the Yank sluggers to seven hits.

When the Athletics, minus Cobb, lost at Cleveland 6 to 1, it was their third straight loss at the hands of the Red Sox. The Yankees, minus Babe Ruth, were down with six safeties.

When it was all over at Detroit the Tigers had a 17 to 11 verdict over the Red Sox and a strangle hold on second place.

In the National league all games were postponed because of rain throughout the east.

HUSKEY IN BOSTON'S CENTURY DASH STAR
NEWTON, Mass. — Frank Huskey is Boston college's best bet in the 100-yard dash.

A brilliant record at Stuyvesant high school, New York, with an unofficial record of 9.3-5 seconds, preceded Huskey's track work here.

When he won the A. U. championship on the west coast a year ago he registered 9.4-5.

Huskey has been clocked indoors in 4.1-4 seconds in the 40-yard dash.

KILLED BY BASEBALL
NEW YORK (AP)—Frank Mitchell, 28, star pitcher of the new outfit of the Red Hook district of Brooklyn, is through with baseball forever, because of a tragedy.

Anthony Esposito, 11, who aspired to be a catcher but was weak on curves, was warning Frank up.

An inshoot struck Tony over the heart. He died before an ambulance arrived.

Oregon Makes 11 Errors in Game

EUGENE, Ore., May 10 (AP)—Plans who saw yesterday's baseball game between the University of Oregon and the University of Washington, on the local diamond, saw something more of a comedy of errors than a baseball contest.

Oregon was credited with 11 mistakes, and if some of them hadn't been generously credited as Washington hits, there would have been more.

The visiting Huskies were credited with two errors, and played good baseball for the most part. The final score was 3 to 2.

Of the 19 hits credited to Washington might have been easy to get with better fielding, but the error keeper gave the West's the benefit of the doubt and left them off the error column. Nearly every time a Washington man rolled off the ball on the ground it was duly a question of how many bases he would get. The two teams met again this afternoon.

Union Girls' Nine Beats Enterprise

UNION, Ore., May 10 (Special)—Union's high school baseball girls ended their season's playing with a decided victory on the home gym floor Saturday night when they defeated the Enterprise team 14 to 11.

In the first game, played at Enterprise the Maroon and White girls lost to the latter team by about the same odds, and they were expecting a tough game here.

Loona Spray and Edith Cheney pitched for Union and each of them did some clever tossing, fanning out several batters.

All the Union team played well. Enterprise showed up well in field work but their hitting was poor.

A delegation of reporters accompanied the Enterprise team to Union.

JIMMY MEVEY GOES TO ST. MARY'S SCHOOL
ST. MARY'S, Ore., May 10 (Special)—Jimmy Mevey in private life, is credited with being one of the few fighters who ever passed Benny Leonard on the canvas for a count, has been transferred to St. Mary's Industrial school in which Babe Ruth learned the rudiments of swinging a baseball bat.

Brother Benedict was physical director of St. Xavier's college here and he assumes a similar place in the Baltimore school. He was considered a lightweight of high caliber before joining the Xaverian order.

BEST COLLEGE DIVER
EVANSTON, Ill. — Walter Colbath, Northwestern University sophomore, brings to the swimming pool the build of a fullback instead of the wiry slenderness of the average "fancy" diver.

In spite of Colbath's unusual form he holds the national collegiate diving championship and is accounted a promising Olympic prospect.

He won his first tank swim for Lane Technical high of Chicago, and took fourth place in diving competition in the national A. U. meet. He is also on Northwestern's 100-yard relay swimming team.

Fish are becoming scarcer, according to the federal fisheries bureau. Probably the Barnum influence still persists.

WHERE LEVEES ARE CRUMBLING NOW

This map shows the latest "flood sector" along the Mississippi river. At least four big breaks in the levees that were protecting northern Louisiana have occurred and more than 20,000 people living in the shaded areas which are inundated have been driven from their homes. Arrows point to the breaks. It is feared that the entire section between the Louisiana and Mississippi rivers will be flooded. The map shows an area about 340 miles north and south and 45 miles east and west.

The volume of the crop was considerably over the early estimates and resulted from continued good weather during the month of April. Market conditions this year have been very satisfactory.

Prices had a wide range, number 1 Brussels selling at prices ranging from 30 cents to 1.10 per crate. It is roughly estimated that this year's crop will bring approximately \$2,000,000 to the county. The growers have realized a fairly good margin of profit.
