WOMAN STABILIZES CITY GOVERNMENT

TOPEKA, Kas.—City government in the capital city of Kansas is stable largely because of the presence of Miss Ella Gould. In the last 20 years, mayors have come and gone but Miss Gould has remained in the city clerk's office, and now holds the record of being the municipal employee longest in city service.

City mayors have appointed her to the same office, and she is said to be as important to the city commission as the secretary of state is to the President's cabinet.

Formerly, when a man fell in love he lost his appetite, while nowadays he loses everything.

THE POPULAR-SONG WRITER'S PHILOSOPHY

There is no longer like that of returning to one's "Mammy" south of the Mason-Dixon line.

There is no romance like that of Normandy. Peardy, Brittany, Arabia, and Walhalla.

June is the one month in the whole calendar.

The only illumination is that of the moon.

The rose is the only flower.

The maiden of one's dream is invariably a creature of enormous attraction.

When one has the "blues" one immediately begins a jazz dance.

When one is in love, one cannot help singing about it.

"Well, my boy, do you know what 'sentiment' means?" asked the teacher.

"Yes, sir, the duty upon liquor."

Maybe one reason for the flame-fashions razors don't require the old-fashioned razor stop.

A man is known by the company he keeps when coming.

Suspicious Wife: "Where have you been all the evening?"

Husband: "I've been talking over business with Tim Baker."

Wife: "And I suppose that's talking powder sprinkled all over your coat."

The nose needs exercise, says a doctor. But not from sticking it into other people's affairs.

It's better to be a widow's son and husband than her first
