State Records Given; Some May Be Beaten Today

Oregon state high school field and track records, to be shot at in today's first annual state meet at Corvallis, are listed as follows:
100 yards—A. Tuck, Redmond, 16 seconds.
220 yards—O. Goresky, Columbia, 1:20.
440 yards—E. Springer, Jefferson, 1:05.
880 yards—V. Windnagle, Washington, 1:56 4/5.
Mile run—P. Wilson, Washington, 12:15.
120 high hurdles—W. Muirhead, Columbia, 1:16.
220 low hurdles—W. Muirhead, Columbia, 1:25 4/5.
High jump—E. Murphy, Columbia, 6 feet.
Broad jump—Jan Kelly, Baker; Round, Eugene, 21 feet 3 inches.
Pole vault—M. L. Benson, 11 feet 7 1/2 inches.
Shot put—L. Johnson, Washington, 47 feet 2 inches.
Discus—A. Tuck, Redmond, 123 feet 10 inches.
Javelin—H. Frank, 130 feet 3 1/2 inches.
Relay—Washington, high, 1:22 7/5.
An attempt is also being made to have the high jump mark made at Union in 1924 by Hansen, of Redmond, entered as a state record. Hansen jumped 6 feet 5 inches by actual measurement.

Will Hold Meet Records
Although these marks are registered as state records, first place winners in today's meet at Corvallis will hold the state track meet records, if made under conditions whereby they are officially recognized.

This means, briefly, that today's times, distances and heights will be most records although the above listed state records are generally recognized throughout the state.

Many hold that there is little likelihood of many of the state records being beaten today, although one or two may be bettered.

Oregon, Washington In Dual Meet Today

SEATTLE, May 14 (AP)—A well groomed track and favorable weather gave rise to expectations of several new Pacific coast conference records falling in the dual field meet between the Universities of Washington and Oregon here today.

Proctor Flanagan, regarded as one of the best broad jumpers in the west, was looked upon as the shining light of the visiting aggregation. Hill, two-mile and Westel, javelin thrower, were also touted as spectacular performers, but the feat of the Oregon team was not considered the equal of the local efforts.

Ernie Anderson, who runs 100 yards in 5.8; Captain Jimmy Charbon, half miler; Tom McCollum, mile run artist; and Herman Fritz, shot putter, were regarded as outstanding among the Washington participants.

There was joy among the world champion Cardinals as they moved on from New York to Philadelphia over the resounding 13 to 1 scalping they administered to the league-leading Giants yesterday.

The American league produced a game with a score almost as lopsided in the victory of the Athletics over the Tigers at Detroit, 16 to 3.

Carl Mays held the Red Sox in submission until the eighth, when they shelled him off the mound to score five runs and take the decision from the Reds 5 to 4.

The Boston Red Sox resumed a determined effort to climb up among the contenders as theyaced out a 7 to 0 shutout against the Indians.

The St. Louis Browns tried hard to halt the Yankees but lost 2 to 1. Detroit of the Cubs by the Philadelphia 4 to 1, in the only other game played last night, as the Quakers beat them down a peg in the standings while the Quakers

DEEPENING CHANNEL
PENDLETON, May 14 (AP)—The channel below the McKay irrigation dam is being deepened to prevent undermining of water flowing from the dam. This was recently noted and men were put to work deepening the water courses. The basin level is being maintained at 45,000 acre feet by releasing water at intervals.
