FLOODS SPREAD OVER 200 MILES

Warnings Fail to Cause Pointe Coupee Parish Residents to Leave

NEW ORLEANS, May 26. (AP)—Although continued warnings have been issued by relief organization heads and levee engineers, residents of Pointe Coupee parish still cling to their homes today.

Many residents of the danger area had either left or were preparing to move as the waters began to encroach on their lands, but relief authorities feared that a great number already had been cut off as a result of their delay.

An aerial survey of the territory affected by the crevasse in the east bank of the Atchafalaya at McCreas, 129 miles northwest of New Orleans on the opposite side of the Mississippi was halted late yesterday by a rainstorm which swept the area. Relief authorities expected to send a naval plane out early today.

Waters from the crevasse at McCreas, estimated as being 2000 feet wide late last night, were believed to have spread over 200 square miles early today.

Four-Cornered Tie Develops In Golf Tournament

NEW ROCHELLE, N. Y., May 26. (AP)—A four-cornered tie for the lead in the metropolitan open championship was established for the time being today when Bobby Crickshank, came in with a 75 closely followed by William MacFarland with 72 giving them each 147 for the 54 holes. This position had been occupied for some time by William Burke of Greenwich and Johnny Farrell of Quaker Ridge.

August Nordone, unattached, with 145, was a stroke behind the four leaders. Joe Turnesa and Leo Diegel, the last starters were regarded as dangerous contenders as Turnesa had 72 yesterday and Diegel 75.
