## Racing Picture "Down Stretch" At Arcade

"Down the Stretch" from the story "The Money Rider" by the late Gerald Durrell, under the direction of King Vidor, who is always at his best when handling a picture of this kind, is one of the most forceful and yet entertaining pictures to be shown here in a long time. It has heart throbbing thrills, romance and pathos and will do more to become too played up and overdone.

It depicts a remarkable degree the part of the race most that the fan in the stand or on the paddock seldom sees. The trials and tribulations of the money hunter that make up the picture are the sport of kings.

The race embraced a host of notables headed by Robert Agnew as Jockey Harry Kramer and Mark Nison as his well-to-do assistant, a Mrs. Hadden, Ward Crane and Virginia Tracy. The picture plays their parts perfectly. "Down the Stretch" is one of the best pictures of the year and will be shown at the Arcade theatre today only together with the comedy "Jacob Hally."

## Youthful Cast In "Whirlwind Of Youth"

"The Whirlwind of Youth" opening an engagement of two days at the Star Theatre yesterday proved to be one of the most pleasing bits of entertainment that has come our way for many weeks.

As the title indicates this adaptation of A. Hamilton Gilber's novel "Whirlwind" deals with "youth" and its cast is composed of fresh young players who are a terrific delight on the screen. Jack Moran, Raymond's new star, carries a characterization that brings out all the best of his capabilities. Miss Moran's contribution to the picture is a wonderful new experience in which she has the opportunity to play a girl who is a girl.

The picture presents the first

## Jetta Goudal Scores Triumph In "White Gold"

That the scheduling of a chair and the racing picture of a knife can be made important motivations in a picture is dramatically shown in "White Gold," starring Jetta Goudal which was presented, with brilliant results at the Sherry theatre yesterday. Kenneth Thomson and George Bancroft are the stars.

Thoughts, moods and environments as they affect four stained personalities on a bleak, draught-stricken Arizona ranch are the strange elements that director William K. Howard has woven into an unusual study of life.

In "White Gold" the innermost processes of the mind are photo-
