 Little flags of the Pittsburg Pirates and New York Yankees will be flying at the top of the major league despite the efforts of 14 other clubs to lower them.

All the home-run power in the bats of Ruth and Gehrig was needed by the Yankees yesterday to repulse the charging White Sox, but the league leaders managed to turn back their rivals by a count of 4-1.

Ruth made his 14th homer, Gehrig his 14th and Pat Collins walked another while Clancy of the White Sox marked out one for the visitors' only tally.

Opening their series against the Giants, the National League leaders were as successful as the Yankees.

The Pirates got 16 hits off the notoriously poor New York pitching and winning, 9 to 5.

Chicago's 7 to 5 victory over Brooklyn meanwhile sent the Cubs to third place above the Giants and only a few points below the Cardinals.

Allen Will Fight Cal Hyde in Baker

BAKER, Ore., June 8.—Young Peter Jackson, Portland colored heavyweight, and Nalls Gorman of Hood River, will headline the spectacular boxing show to be held here June 10.

This will be the first event of this kind ever to be held in Baker and the boys of the local guard company are working hard to put it over in grand style. They have selected for the site the vacant lot between South and Main's garage and the river on Washington street. Permanent bleachers will be built to accommodate 1000 people. The ring will be in the center on a raised platform.

Del Allen, of La Grande, has been rematched with Cal Hyde in the semi-windup. Hyde has been working hard since he lost a close decision to Allen a month ago and wants it understood that the outcome of this match will be different.

A special event of four rounds will bring together Bud Shave, of Baker and Firpo Ford, of La Grande.

All Coast League Games Postponed

ROEBUCK NOW WRESTLER

KANSAS CITY (AP)—Tiny Roebuck, the 250 pound all-American tackle, who played with the Haskell Institute football team last year, is to tackle the wrestling game.

Roebuck has teamed with Joe (Cotton) Mondt, the cowboy wrestler. Several matches have been booked. The football star, Mondt says is faster than Wayne Munn, the Nebraska University athlete, who became a wrestler.

CHAM PATHLETE

gave the Cincinnati Reds a 5 to 1 start on their series with the Phillies, while the Red Sox just survived a Tiger rally in the ninth and held the long end of a 6-5 count.

Charlie Mack's revised lineup was a hitting match from the Braves, 11 to 2.

The Boston Braves' 12 to 5 victory over the St. Louis Cardinals was remarkable chiefly for the lack of consideration with which the visitors treated the champions' touted pitching staff while the Sunners' 10-5 decision over the Cleveland Indians was partly due to the hitting of Tris Speaker against his old team mates.

PLANS COMPLETE FOR TOURNAMENT

American Golf Championship Meet June 14, 15 and 16 at Oakmont

NEW YORK, June 8 (AP)—America's supremacy on the links, which reached its crest last year in sweeping British victories by Bobby Jones and Gene Sarazen, will be subjected to its most important challenge since 1920 in the American open championship at Oakmont, Pa., June 14, 15, and 16.

Ten players in the starting field already have been selected for a band of British professional whose invasion has the double objective of successfully defending the Ryder-cup trophy against an American team and of hitting the most coveted of American links titles. One invader, the powerful hitting veteran, Ted Ray, is a former American open champion.

Of the many scattering attempts which foreign stars have made to penetrate the home defense, only two have been successful. Ray's triumph seven years ago was the last, terminating a twenty year stretch during which no European player was able to break through. The other victory in 1906 was posted by the great English stylist, Harry Vardon.

Success Promoted
 The success of British forces in these two campaigns, however, was pronounced, for on both occasions competitors finished in the run-up positions. J. H. Taylor of England was second to Vardon in 1906, score of 213, while Vardon tied three American players for second place in 1926.

There was one other notable British invasion in 1923 by Vardon and Ray, when the two famous overseas players finished in a tie with Francis Ouimet, then a young Boston amateur, for first place. To the surprise of critics and a large gallery, Ouimet then proceeded to win the subsequent playoff, shooting 72 to 77 for Vardon and 78 for Ray.

Contrasting with the record of British professionals on this side of the Atlantic has been the amazing success of American players abroad in recent years. Links stars from this country having won five of the last six British open tournaments.

Jack Hutchinson, first to break through in 1921, set the pace for Walter Hagen, who secured in 1922 and 1924. Jim Barnes followed in 1925, while Hoby Jones annexed the crown last year.

It's a safe bet that the cars which step-out with the "go" signal are equipped with Champions—the better spark plug. If every car owner used Champions there would be fewer traffic jams.

Champion is the better spark plug because of its double-ribbed aluminum tip—its non-plate construction and its special analysis electrodes.

Buy Bonds

You often hear this advice given. But is it always good advice? Better take a lower interest rate and be safe. We sometimes say there are two kinds of bonds:

Good for money.
 Good for nothing.
