Led by the player who fanned for the final out in the last world series the hitters of the major leagues have registered a total of 17 circuit blows for one days game.

Tony Lazzeri's name led all the rest. The Yankee infielder who had the doubtful honor of making the last strike out of 1926 made three home runs in five times up against the White Sox at New York. Lazzeri's performance which came within a single run of the record for number of homers in one game, featured a long drawn and thrilling battle which ended with the Yankees on the long end of a 12 to 11 score.

**Giants Win**

The Giants set back the Pirates with an 8 to 7 victory on the wings of Hornsby's over the fence clout in the ninth. Home runs by Webb and Wilson enabled the Cubs to down the Robins, 3 to 2, while Fothergill's circuit wallop started a rally which gave Detroit a 5 to 3 edge over the Red Sox.

The Cardinals, with homers by Bottomley and Schulte had the home run advantage over the Braves, but the visitors tallied a greater number of shorter safe blows and won out, 11 to 8. Concentrated hits by the Cincinnati Reds in the latter innings accounted for their fourth straight victory, 5 to 4, at the expense of the Phillies. Under a 7-5 beating by the Athletics, the St. Louis Browns descended to the second division.

The Senators' rookie pitcher, Lisenbee, had a bit the better of his duel with Hudkin, Cleveland youngster, and pulled out a 2 to 1 decision.

LONDON (AP) — When Miss Evelyn Colyer, English tennis player, appears in various British tournaments this year, she will be partnered in "Women's doubles" by Mrs. Randolph Lycett.

This partnership revives memories of the great Wimbledon tournament of 1923, when Miss Colyer and Mrs. Lycett (then Miss Joan Austin) won their way to the final of the women's doubles, after English tennis enthusiasts had dubbed them "The Children." They lost defeat, however, at the hands of Mlle. Lenglen and Miss Ryan in the finals.

ATLANTA (AP)—When the Brooklyn Robins passed through Atlanta on their spring trek, rest they dropped young Bill Rhiel with the Atlanta Crackers, who needed a second baseman.

Since then Rhiel either has been leading the Southern Association or has been among the leaders in hitting, in addition to playing a jam-up game at the keystone. Last season, as a member of the Greenville South Atlantic team, he was one of the greatest hitters in the league. Brooklyn is holding the strings it has attached to him.

## LAUNCHES EIGHTH DRIVE JUNE 14-16

### Bobby Jones Will Try for National Open Golf Championship

NEW YORK, June 9 (AP)—Bobby Jones launches his eighth drive for the national open golf championship on June 14, 15 and 16 at Oakmont from a background of record stroking which has no parallel in links history.

The 25-year-old Georgia marvel, who last year accomplished the remarkable feat of winning both the British and American open titles, already has opened his 1927 campaign with a smashing card of 281 to win the Southern open crown. There are still more records ahead of him to tempt the magic of his clubs, and in this early season performance he has broadcast a warning of new flights to great golf which may realize his chief hope of the current season—acquisition of the open and amateur crowns in the same year.

Only one golfer in history has been able to bring off this feat. Chick Evans, the veteran Chicago amateur, accomplished it in 1916, nosing out Jock Hutchison for the open title at Minneapolis and defeating Bob Gardner in the final round of the amateur at Merion.

**Toppled Last Fall**

Bobby missed an even greater performance last September at Baltusrol when he was toppled from his amateur throne by George Von Elm of Los Angeles, after winning the American and British opens. But his 1926 scorecards stand out as a brilliant achievement in sheer stroking. To his tournament triumphs he tacked two remarkable qualifying rounds for the British open, turning in 66 and 68 for a sensational total of 134 at Sunningdale. Later he won the qualifying medal at Baltusrol.

Bobby's amazing performances last year are scarcely less impressive than his consistently low scoring record in the open, where for seven straight years he has averaged a fraction of a stroke less than 74 a round for 72 rounds of championship play.

His score follows:

| Year | Score | Position |
|---|---|---|
| 1920 | 299 | Eighth |
| 1921 | 303 | Fifth |
| 1922 | 289 | Second |
| 1923 | 296 | *First |
| 1924 | 300 | Second |
| 1925 | 291 | **Second |
| 1926 | 294 | First |

## *IRA DERN WINS DECISION OVER STAN ROGERS*

PORTLAND, Ore., June 9 (AP)—Ira Dern, Salt Lake light heavyweight, won a decision over Stanley Rogers Brooklyn wrestler, here last night after each had taken a fall.

Rogers took the first fall in 25 minutes, and Dern took the second in four minutes with an airplane spin. Rogers was unable to return to the mat for the deciding period.

**TOBACCO CAUSES ARSENIC?**

NEW YORK — The possibility that tobacco causes arsenic in the body is noted by the American Chemical society on the basis of experiments by Dr. Rue E. Remington, of Fargo, N. D. The society, however, feels unjustified in concluding that smoking produces chronic poisoning.

## Flying Jimmy

Fleet Jimmy Charteris, said to be the best half-miler on the Pacific coast. He will wear the colors of Washington in the Pacific Intercollegiates. Lest you've forgotten, Jim Charteris was national half-mile champion in 1925.

## Athletes Boast Similar Records In Three Sports

NEW YORK (AP)—Two of the finest ends college football has had in years—Vic Hanson, of Syracuse, and Bennie Oosterbaan, of Michigan—have carved out strikingly similar careers in two other major sports to establish unusual all-around records.

The receiving half of the famous Wolverine passing combination, "Friedman to Oosterbaan" has another season ahead in football, basketball and baseball before hanging up his competitive togs at Ann Arbor. Oosterbaan will captain the Michigan eleven next fall.

Hanson, graduating from Syracuse this June, has captained a team in each of those three sports.

## Ninety Pupils Have Won Points In Olympic Games

HOUSTON, Texas (AP)—Ernie Hjertberg, track coach at Rice Institute here, has a record of 90 protegee who have won points in the Olympic games.

This Rice coach came here two years ago, after 14 years as a coach in Europe. He trained Edwin Wide for the 1920 Olympics and the Swedish track team of which Wide was a member placed second in the 3,000 meter race.

Hjertberg is confident Wide's feat of running an exhibition mile and a quarter in 5:21.4 at the annual track and field meet of the Southwestern Collegiate conference here recently, will stand as a world's record for that distance. The best previous time, he pointed out, was 5:35, made by Paavo Nurmi in Los Angeles about two years ago.

Jack Rafferty, of Houston, regional director of the Southern Amateur Athletic Union, also believes Wide's time will stand as a record. He was present when the trial was made and both he and Hjertberg pointed out the track is of regulation length and the referee was a regularly named official of the meet.

In his eldest hang nine letterwinners. The maximum number for college could award in the three year period of eligibility. Oosterbaan is likely to equal this record.

Hanson was almost unanimous as an all American choice as Oosterbaan was in 1925.

Hanson has been the east's leading basketball scorer in college circles for two years. He is understood to have accepted a proposal to return to his alma mater in the fall as an assistant gridiron coach.

Hanson and Oosterbaan have not only on the baseball diamond, so that there is little opportunity for comparison of their all-around abilities. Syracuse and Michigan decided a two-game baseball series this spring.

A barber tore the front off the barber shop in a Missouri city. The only question we have to ask concerns the continuance of the barber's shaving activities.

Let's get down to cases

YOU don't need a degree from Oxford to figure out why so many men smoke pipes today—and enjoy them. Pipe-smoking has increased at least three-fold since Prince Albert came into the picture. And pipe-pleasure has increased a thousand-fold. And with good reason!

Prince Albert in the bowl of your pipe means pipe-joy coming up the stem. That's the story of P. A.'s tremendous popularity in a pipe-bowl. You suspect that Prince Albert is wonderful tobacco the instant you open the tidy red tin and set free that rich, rare fragrance. That's a treat in itself!

Your "suspicions" are confirmed the minute that cool, comforting smoke comes rolling over your tongue. Never did pipe-tobacco taste as good as that. Cool and sweet and mellow and mild—long-burning—why, P. A. just has *everything* you ever wanted in a smoke, including *complete* satisfaction.

No matter how hard you hit it up, P. A. never bites your tongue or parches your throat. You can start in right after breakfast and stay with it until bedtime. You may think your pipe is delivering capacity pipe-joy now. Never mind. Until you've tried P. A., you won't know.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.
