County Team To Play Wallowa Be Selected Friday

Selection of the Union county baseball team which will play Wallowa county in a baseball classic July 3 at Blytheville, will be made Friday when players from Cove will be here and practice with the local team. Cove was scheduled to practice with the local club last night but failed to show up. The La Grande team holds good workout however, in preparation to the coming championship game. Several recent additions to the local club have added to its prestige. Windmiller, who formerly played with Portland, was at practice last night as infielder, Wayne Welch, catcher, and Russell McKeenan, second baseman, are new from U. A. C. and G. Ledbetter, pitcher, is with the team from Willamette. Dave Garrick, who pitched in the Utah league last year is another valuable addition to the club.

The Farmer

I can always count on Champions—they're dependable. That's why I use them in all my engine-driven farm equipment as well as for my own car.

Champion is the better spark plug because of its double ribbed, aluminum core—its two-piece construction and its special anti-electrode.

One of those exhilarating, lightning-bolts action games except to look back upon the second place Athletics tonight to sit down in triumph. Had it a single frame to the last game of their series with the long-suffering Yankees. The earliest alarm bell just about striking. They scored eight runs in the sixth, but the Yankees already had none.
