Mrs. Dodge Denies Lieutenant Was Engaged To Her

HONOLULU, T. H., July 7 (AP)—Lieutenant Charles L. Williams, reported by the Star Bulletin to be engaged to the daughter of the recently divorced wife of Horace Dodge a member of the wealthy family of automobile manufacturers of Detroit, fell into the sea near here yesterday and was drowned.

The tragedy marred the departure for the mainland of the liner Maui of the army aviators, Lester J. Matland and Albert Hengenberger, who made a successful flight from Oakland, Cal., to Honolulu last week.

Lieut. Williams was one of a group of army aviators circling above the Maui when his plane dived into the water.

The navy tug Sunanda was sounding today searching the sea bottom for the plane and Williams' body.

Mr. and Mrs. Horace Dodge were in Honolulu recently and were divorced after their return to the mainland.

with other sidewalk districts, was read and referred to the city manager and city engineer.

Another petition asking that Oak and Cedar streets between L and N avenues be macadamized went through the same channels.

An ordinance setting the salary of the street superintendent at \$155 a month was read for the third time and passed unanimously. This position has been paying \$125 a month.

A certificate from the county clerk on the recent election showing the official vote on city measures to be as follows:

Five-commissioner plan, Yes, 230; No, 879; \$42,000 water main bonds, Yes, 372; No, 102.

The Ralph Schoenbeck company, of Portland, offered to take care of the legal procedure on the \$45,000 water main bonding issue. The commission decided to ask the firm for a lower definite proposition.

A. T. Hill, president of the commission, asked what had become of a petition asking that Sixth street between K and G streets be improved by building sidewalks. An investigation will be made.

Install New Fountains.—The question of drinking fountain in the business section came up and it was announced that arrangements had already been made for four fountains on the south-west side of Adams avenue. One will be placed at the intersection of Y and Spruce streets.

Bills in the amount of \$284.98 were allowed and an estimate was passed in favor of P. J. Lilly, for work on district No. 166, amounting to \$590.78.

1000 Bluejackets Will Be Landed

SHANGHAI, July 7 (AP)—Dispatches from Tokyo state that 10,000 bluejackets received at the Japanese foreign office today told of an agreement reached at Tsingtao, Shantung, last night at which the United States would land 1000 bluejackets there and Great Britain send a contingent from Shanghai.

The address said that the agreement was reached at a conference of the British, Japanese, German and American consuls at Tsingtao.

growth of my home city, Sacramento," said Mr. Calkins. "It is the stability of your progress that is making it an ideal city." The commission, Mr. Calkins has been grand chancellor of the California lodge and has often attended the supreme lodge at national conventions. During his visits in La Grande he has formed many friends among the local lodge members and enjoyed visits with them during his stay here. Before taking up the work of the lodge, Mr. Calkins was a

Fish Worm Better Than Trout Fly

NEWARK, N. J., July 7 (AP)—The "essential fish worm" scored an overwhelming victory in a recent "contest" held by the Newark News in the Musconetcong creek.

Fisherman, all experts, landed only five trout with the best flies to be had while the experts of the conglomeration landed a variety of angle worms.

The worms also won by a ratio of three and one-half pounds of dressed fish to one and one-quarter for the flies.

John T. Abell, of South Orange, and David S. Seifeld, of East Orange, used worms. John S. Schwinn and William J. Neu, both of Newark, were the fly flickers.

A message was sent today to President Coolidge declaring his choice of worms as bait vindicated by the results in the Jersey stream.

Oregon Cherries Bring Big Prices

FREEWATER, Ore., July 7—A carload of Blue cherries shipped by the Associated Cherry Growers through Reinhardt & Kelly of New York City, brought the highest price ever paid for a car of cherries from this vicinity, according to word received by R. D. Monagan, district representative of the company. Fifteen-pound lugs brought \$5.25 each on the New York auction market. There were 1152 lugs in the car, making it worth approximately \$6000. Seven cars of cherries were shipped this season from the Milton-Freewater district and all brought good prices.

SMITHS TO FIND

ESMETT, Ida., July 7—Idaho Ring cherries from Emmett valley sold for 75 cents a pound on the New York market, producers announced recently upon notification of the sale of 1100 crates of cherries, representing a pool gathered especially for this New York market and was on its way to Point Barrow in the tug trading business. It is a wooden boat having been built in Alameda, Cal., in 1918. The ship left San Francisco June 15.

It is expected to be ready for its first test flights within three weeks. Its flying range is estimated at 5,000 miles. Bertaud's flying companion is not expected to be named until shortly before starting time, in August.

Bertaud Competitors—Miss Roy and her co-pilot, Lieut. Delmar L. Snyder, are competitors of Bertaud in a proposed flight to Rome. Miss Roy announced at Cleveland that Minneapolis businessmen were backing her flight. She will have a Ryan monoplane, the same make as was used by Lindbergh.

"I want to fly the Atlantic before any other woman gets a chance to do it," she said.

Plans Speedy Trip—Outlining his design for a giant steam driven plane, Stroubschewitz announced plans for a flight next year from New York to Europe in 18 to 20 hours.

His machine, he said, would have two 1,000 horsepower steam turbine motors. Construction he said, will start shortly on a site at already ready. He declared a steam driven plane to be superior to one with a gasoline engine in that it would have greater speed and would operate at low cost and with no danger of explosion.

Cutter Rushing To Aid of Motorship

DUTCH HARBOR, Alaska, July 7 (AP)—Picking up the 808 calls of the motorship Charles Brewer, the United States coast guard cutter Albatross was today rushing to the aid of the stranded vessel which reported she had gone around at East Cape off St. Lawrence island in Bering Sea and is being pounded severely by a heavy sea. The schooner Northern Light is also speeding to the motorship's assistance. The Charles Brewer left Dutch Harbor Sunday for the Arctic.

The vessel is owned by H. Lieben and company of San Francisco and was on its way to Point Barrow in the tug trading business. It is a wooden boat having been built in Alameda, Cal., in 1918. The ship left San Francisco June 15.

Obituary

MAY ELLENOR SMITH HOUGH May Ellenor Smith Hough passed away yesterday at 10 o'clock at her home at 1893 Adams avenue after a lingering illness. She was born at Mt. Vernon, Ill., Dec. 25, 1874, and came to the Grande Ronde valley when 15 years of age and has since then made her home here. She was married to James E. Hough June 3, 1895.

She leaves to mourn her loss besides her widowed husband one daughter and one son, Mrs. Lela Veels and Earl Hough, both of La Grande; her mother, Mrs. J. T. Harvey; her step father, J. T. Harvey; three sisters, Mrs. C. Huffey and Mrs. Harry Smith, of La Grande, and Mrs. Lora Leake, of Portland; and three brothers, Will Smith, John Harvey and Ray Harvey, of Portland. She also leaves three grandchildren.

The body is at the Suedgras-Zimmerman chapel. Funeral services will be held from the Christian church, of which she has been a member since 18 years of age, Sunday afternoon at two o'clock. The Rev. O. W. Jones of Portland, will officiate.

LAWRENCE ERDMAN

Lawrence Jerome Erdman, four-year-old son of Mr. and Mrs. William F. Erdman, living on a farm on the Saru road eight miles northwest of Vancouver, Wash., died Saturday night at 8 o'clock at St. Joseph's hospital, Vancouver, following an accident in a hayfield on the family farm which occurred three hours earlier. The child was fatally injured when a tin of the hayfork ran into his eye.

The lad was rushed to St. Joseph's hospital and medical aid immediately summoned but after several hours of intense suffering the child died.

The accident occurred when the child ran behind an older brother who was pitching hay out in the hayfield. The older boy was pitching the hay over his shoulder and as he threw the fork back over his shoulder it struck the child who was directly behind his brother. One of the tines of the fork ran into the child's eye. The accident happened at 5 o'clock and the child died three hours later in St. Joseph's hospital.

Beside the parents the child is survived by four brothers, Joseph, William, Frederick and Patrick.

The body was moved to the home Sunday from the mortuary of Hamilton & Son, Vancouver, who will have charge of funeral services. The services were held Tuesday morning at 10 o'clock at St. James Catholic church, Vancouver, with Rev. J. Egan, pastor of St. James Catholic church, officiating. Interment was in the Lone Fir cemetery, near Vancouver.

The boy was born in La Grande, Ore., and moved to the home near Saru with his parents a year ago.
