VESTBAK

Made only by

OSHKOSH B'GOSH

Notice how much better this back covers up your shirt and how snug the broad straps hug the shoulders. No "rope" suspenders with the Vestbak!

It's made of extra heavy denim [come in and feel it]. It's mill-shrunk, no-fade and absolutely guaranteed to satisfy you.

Stop at the store and slip into a pair. They feel right. Wide legs, jumbo pockets, heavy, strong cloth all through and wonderful workmanship.

It's the best liked, fastest-selling overall we've ever sold.

Let Us Consider This Freedom

Over a century and a half ago a group of struggling colonies issued a document which proclaimed them a nation, and another page in the history of the universe was turned.

This week, all of us who now enjoy the fruits of that freedom, paused for awhile in our work to commemorate the courage and vision of those pioneers—courage which lay not in themselves alone but had been handed down to them as the tradition of a great race.

Let us remember as we consider for awhile this freedom, that our children too may be called upon to face a national crisis and the measure of their achievement will be to a great extent, a reflection of the courage with which we live our lives today.
