Most Mills Shut Down for Month for Repair Work

NEW YORK, July 8 (AP)—The tendency toward restriction of activity in the lumber industry has been emphasized by an extension of the customary Fourth of July suspension. This year some mills began to shut down a week or two before the fourth and plan to extend the semi-annual repair and overhaul period for two or three weeks afterwards. On this account there are both apparent and actual decreases in production, shipments and orders compared with last week, says the National Lumber Manufacturers' association. Softwood reports show orders and shipments are running 15 per cent less than a year ago and the effects of the holiday are particularly noticeable in the hardwood industry.

and find out what is back of this."

The Dearborn Independent has carried many articles about Jews. It has charged that Jews control the money market of the world.

Trial Recalled

Articles in which Sapiro's agricultural activities were attacked formed the basis of the libel suit. Counsel for Mr. Ford filed a plea asserting the truth of 141 statements which Sapiro had claimed were libelous.

At a time when Ford was expected to be called to the stand he was injured in an auto accident, Federal Judge Fred J. Raymond in Detroit, declared a mistrial due to an interview alleged to have been given by a juror to a Detroit newspaper while the trial was in progress.

CASE SETTLEMENT LOOMS

DETROIT, Mich., July 8. (AP)—Negotiations looking toward the publication of Henry Ford's statement that all articles in his Dearborn Independent hostile to the Jewish people had been ordered discontinued, have been going on for some time, William Henry Gallagher, chief counsel for Aaron Sapiro in the latter's libel action against Mr. Ford, said today.

Mr. Gallagher added that he "confidently expects" that the libel suit will be "settled out of court." Walter P. Lynch, of Chicago, law associate of Mr. Sapiro, has been in Detroit for two weeks in connection with the matter of the statement credited to Mr. Ford, Gallagher said.

SAPIRO PLEASED

SASKATOON, Sask., July 8 (AP)—Deep satisfaction at the reported withdrawal of attacks made on the Jews through Henry Ford's Dearborn Independent was expressed here today by Aaron Sapiro, of Chicago, who stated that negotiations for the settlement of the $1,000,000 libel suit against Ford were in progress.
