EGGS MOVING UP; BUTTER IS FIRMER

Apples Still Bring Good Price — Oversupply of Tomatoes in Portland

PORTLAND, Ore., July 21 (AP)—There seems no end to the new price upturn wholesale eggs are taking this week on the local markets. Extras have gained 3c on the local dairy exchange since the beginning of the week. Today they are a cent higher than yesterday at 27c. Current receipts are also a cent higher at 23c, while standard and medium grades are firm at 26 and 24c, respectively. However, egg quotations are going up all along the coast at principal marketing centers.

A firmer tone to the butter market forced all grades of cube butter up from ½ to 1c on the local dairy exchange yesterday afternoon. Today standards are 39c, a half cent higher, while prime firsts and firsts gained 1c each to 38 and 36c, respectively. With the rise in price for standards, up went butterfat to 40c per pound.

Clear transparent apples are still selling at a good price, ranging from $2.75 to $3.00 per box. Receipts of new apples continue light.

Tomatoes are practically at an oversupply, with several cars arrived yesterday and warm weather almost certain to bring increased shipments from The Dalles district. Recent wholesale quotations were $3.50 for repacked lugs, $2.50 to $3.00 for originals, and $3.50 to $4.00 for The Dalles 20-pound boxes. Hothouse stocks have been selling for 25 and 30 cents per pound.

MY SWEETHEART

(From "The Stars and Stripes," Official Newspaper of the A. E. F., Feb. 21, 1919.)

I left her one day and hurried away,
To answer Democracy's call;
A tear dimmed her eye as I kissed her goodbye,
And she swore she loved me above all.

This sweetheart of mine, a vision divine,
Was the fairest that heaven could send;
And though I did grieve, she made me believe,
She'd be faithful to me to the end.

Does she dance with joy when some other boy
Says "Dearie, let's go to a show?"
Does she jump with glee and say "Come sit near me"
On the sofa that I used to know?

Don't think that I fear, when she's so sincere,
She is, for she vowed she would be.
Does she go out nights and take in the sights?
She does! you can take it from me!

—Howard A. Herty, Regtl. Sgt. Maj., Inf.

Stock Exchange Still Bullish; Close Is Heavy

NEW YORK, July 21 (AP)—Stock prices made further recovery in today's market with nearly two score issues lifted to new peak prices for the year.

American Tobacco common and the B stock, Lorillard and Congoleum Cigar all moved into new high ground.

General Motors attained another new peak above 214 and U. S. Steel common was well supported around 126. Brown Shoe, Union Carbide, Eastman Kodak, Gabriel Snubbers and Radio Corporation were among the many other issues to reach new high prices.

Rails were quiet but firm, with Union Pacific and Baltimore and Ohio in the forefront of the advance.

The closing was heavy. Widespread selling for both accounts occurred in the last hour when Houston Oil got down to 150 and U. S. Steel, General Motors and several other favorites were hammered down 1 to 3 points under their earlier high levels. Total sales approximated 1,900,000 shares.

Frank Dolp One Down to Coleman At End of 18th

SEATTLE, July 21 (AP)—Missing a two-foot putt at the 17th hole, Frank Dolp, Portland, defending his 1926 title, went one down to Fay Coleman, Los Angeles, at the end of the morning round of their 36-hole match in the western amateur golf tournament here today.

After Ben Stein and Harold Neimeyer, both of Seattle, had turned the ninth hole all even, each was three holes on the way home to square their morning match.

Dr. O. F. Willing, Portland, finished the first 18 holes one up over Chandler Egan, Medford, Ore., when Egan three-putted the 17th hole and missed a six-footer for a win at the 18th.

Wheat Unsettled And Lower Today

CHICAGO, July 21 (AP)—Opening unchanged to ⅛c off, wheat later scored moderate gains all around. Corn, oats and provisions were likewise firmer, corn starting unchanged to ⅜c up, and then touching some upturns but subsequently showing a general advance.

Wheat closed unsettled, ⅛ to 1c net lower; corn ½ to ⅞c down; oats ⅛ to ⅝c off and provisions showing a setback of 5 to 15 cents.

Extra Session Of Congress Is A Possibility

RAPID CITY, S. D., July 21 (AP)—Informed personally by Secretary Hoover, head of the administration's Mississippi relief committee, of pressing conditions caused by the inundation of thousands of acres of southern lands, President Coolidge was preparing today to give consideration to the question that an earlier session of congress was advisable to cope with the problem.
