It was on the occasion of the meeting of Commander Richard E. Byrd and his crew of the "America" with Clarence H. Chamberlin and Charles A. Levine, the New York-London fliers. At the 29th, and in hand, is Vera, Byrd's daughter, George, Neville, Byrd and Bernt Balchen, in the second row, between Neville and Byrd, is Chamberlin, and between Byrd and Balchen, Levine. Terrific Rains Sweep Through Eastern States

NEW YORK, July 22 (AP)—Sheet-lead but terrific downpours, accompanied by electrical disturbances, swept through many northeastern states today, disrupting rail traffic, flooding streets and causing considerable damage.

Philadelphia and Harrisburg, Pa., where a few minutes' rainfall exceeded an inch, reported the greatest inconvenience due to flooded streets and stalled traffic. In New York, clouds burst loose in torrents in parts of the city, although the greatest trouble was experienced outside the metropolitan district. Trains were delayed on Long Island and in Westchester county.

In Pennsylvania, landlides delayed trains between Harrisburg and Buffalo, and several bridges were washed out on the Susquehanna river.

Some of such is worth \$500 according to a case in Paris where a cook was awarded this amount for the loss of the same of which he knocked down by a taxi.

Nov. Is the Best Time To Plan for Christmas

"Do your Christmas shopping now" may sound like a joke with the mercury climbing upward—but is it such a joke after all? The stores are less crowded in the summer and the salespeople have plenty of time to show you articles and make helpful suggestions.

Then, too, right now is the time to start watching for those remarks beginning, "How I wish I had." You've no idea how much it will simplify matters for you.

Why not form the habit of dropping into our store every time you are near us and have a moment to spare? Our New York buyers are constantly sending us new and interesting merchandise. We're always glad to show things to you.

Another distinguished visitor to the legion convention, who has received his just share of accolades is Thomas H. Willett, drum major of the Portland corps, who has played with Sousa, been in several military bands—overseas and over here, and who has medals for his musical ability in abundance. He has also played many years with the Portland police band, has been in national guard bands for the past 10 years. Mr. Willett, with the Portland corps when it was organized and feels justly proud of the third-place rating it received yesterday. This is the first time that a Portland corps has placed in Oregon contests. Mr. Willett is already enthusiastic about next year's convention, which will be held in Portland, and is making plans for some of the snappy drum corps tactics, although his corps will not be allowed to take part in the official contest.
