Couple Returns From Honeymoon; Make Home Here

Mr. and Mrs. Matthew Reilly who were married by the Rev. O. Nooy at the Catholic rectory Monday afternoon, Aug. 1, at about 4:30 o'clock, returned to their home here Sunday after spending a week at Wallowa lake on a honeymoon trip.

Both the bride and bridegroom are well known in La Grande. Mrs. Reilly was Miss Helen Pauls, higher position in her marriage and for the past four years she has been employed in the telephone office here as long distance operator on both the local and long distance lines. Mr. Reilly is also employed by the telephone company.

They will make this city their home.

Mr. and Mrs. E. L. Lovell have returned to La Grande after a week's honeymoon trip to Vancouver and Victoria, B. C., and will make their home in this city.

Mr. and Mrs. Lovell were married Monday, Aug. 1, at the residence of the Christian church in Baker. Mrs. Lovell was formerly Mrs. Rose Osborn and made her home in Baker. Mr. Lovell has lived in La Grande for a number of years, and is employed by the U. W. here.

Farwell Party For Mr., Mrs. Dunn

The members of the Christian church here will give a farwell reception for the Rev. and Mrs. C. V. Dunn and family on Thursday evening, following the church services, which will be held at the church.

Mr. and Mrs. Dunn will leave La Grande Monday for Port Collins, Colo., where Mr. Dunn, who was formerly pastor of the Christian church here, will teach in a Christian school.

All members and friends of the church are invited to attend the reception.

The La Grande high school class of 1927 is planning a potluck supper which will be given at Riverside park Wednesday evening, beginning at 5:30 o'clock. This will be the first reunion of the class members since graduation six years ago. All persons who graduated from the high school that year and their families are requested to attend.

Everyone wishing to ride to the park and having no other means of transportation are asked to meet at the Moon Drug corner at 6:15 o'clock, where cars will be furnished.

Announcements

Fretted Brim

The small, closely fitted felt hat is still determined to be in the lead. A novel treatment is shown in this brown felt cut in a fret design and bound with darker brown gros-grain ribbon.

MENUS

By Sister Mary BREAKFAST — Orange juice, cereal, cream, creamed dried beef on toast, crisp toast, milk, coffee. LUNCHEON — Spiced chicken mousse, hearts of lettuce with chiffonade dressing, orange with coconut kisses, milk, tea.

CHICKEN MOUSSE — Mixed grill, salad of fresh fruits with French dressing, cheese, crisp, lead coffee, milk. A stewing chicken is chosen for the luncheon dish. After the white meat is removed the rest of the fowl is boiled and the broth used for soups and sauces and the meat carefully picked from the bones and used in salads, sandwiches or creamed on toast. The housekeeper entertaining a houseguest will find this investment of a "stewing chicken" very much worth while from a time-saving as well as an economical standpoint. She is also serving her most delicious and unusual dishes.

CHICKEN MOUSSE — One pound uncooked white meat of chicken, 1/2 pound cooked ham, 4 tablespoons softened butter, 3 eggs, salt (teaspoon salt), 1 teaspoon pepper, one cup heavy cream.

Put white meat of chicken through fine knife of food chopper. Put ham, which amounts to about one slice, through food chopper. Combine meat and run through fine knife again. Add softened butter and eggs well beaten. Combine lightly and beat in cream whipped until firm. Add seasonings and turn into buttered individual molds or one large mold. Steam about 45 minutes or until firm and serve with seasoned celery. Garnish with slices of stuffed olives.

HEALTH

BODY NEEDS AS MUCH CARE AS MOTOR

By A. E. Strauss, M. D., Lansing, Mich.

Member General Memorial Inst. Change your oil every 500 miles, look after the battery and spark plugs, and after several thousand miles many minor repairs and adjustments are necessary. The more service we want out of our car the more we have to examine it thoroughly, or have the garage man, who knows more about it, do it. In order to save trouble or a sudden breakdown, it pays to buy some extra parts or a new car can be purchased. If you are rich enough you won't mind this. But not so with the human machine. Can an extra kidney or an extra heart be bought? No, and since we all want service as long as possible from our bodies, we should be looked over periodically to see possible breakdown, sickness, or death.

You say man is not a motor. A motor has no healing power. Nature repairs small damages as they occur. This leads us to take much for granted and to rely on the reparative and recuperative powers of our bodies beyond reason.

One is not able to judge for himself whether or not he has a serious disease. It is not always true that the more serious troubles give us a hint in time. Cancer, high blood pressure, appendicitis, gastric ulcer, paralysis, are examples of what may appear suddenly and with no warning signs. So to be safe one should be examined at regular intervals by his family physician.

Nature takes care of small damages. But how? It is like a scar

Quick Quaker "stands by" you through the morning

That's why doctors urge it to start every day

To feel right through the morning you must have well-balanced, complete food at breakfast. At most other meals—that is, at luncheon and at dinner—you usually get that kind of food but rarely at breakfast.

Thus Quick Quaker, containing 16% protein, food's great tissue builder, 65% carbohydrate, its great energy element, plus all important vitamins and the "bulk" that makes laxatives seldom needed, is the dietetic urge of the world today.

It is food that "stands by" you through the morning. Food that should start every breakfast you eat.

Don't deny yourself the natural stimulation this rich food offers.

Get Quaker Oats today. Grocers have two kinds: Quick Quaker, which cooks in 2 1/2 to 5 minutes, and Quaker Oats.

Quick Quaker

corner. The space was narrow and before he could stop he had crashed into the other machine. A traffic cop was near and assisted in straightening out the matter.

A Smith-Hughes man by the name of Griggs has been secured for the Union high school for the coming year and he is now busy getting matters in hand for the opening of school. A man is expected to be here sometime this week to consult with Supr. Conklin about the position of athletic coach and probably science teacher in the high school. About all the grade positions have been filled, and most of the new members needed for the high school faculty also have been secured for the school year, which will begin on Sept. 5.

Girls Buy Small Shoes, Cramp Feet

WASHINGTON (AP)—The desire for small feet is by no means confined to the women of China, according to the report just issued by the American Home Economics association on effects of various types of shoes on the feet of high school students.

A survey made by Professor Katherine Cranor of Iowa State college and by Maude Eastwood Little, covering 211 high school girls showed that shoes both too short and too narrow were worn by 24%. Only 23 wore correct length and 14 correct width shoes with the flat heels.

The shoes were examined as to type, length and width. Next the feet were measured and examined for defects. Only one student was found to have normal feet.

COVE PERSONALS

COVE, Ore. (Special)—Miss Edith Gray passed away, following an operation at the Grande Ronde hospital, at three p. m., Saturday Aug. 6. She had been in poor health for several years but was only seriously ill for a couple of weeks but so critically ill that it was thought that only an operation would save her. Miss Gray was born April 15, 1875 in West Grove, Pa. She has made her home here with a cousin, John Parker for the past 15 years. She leaves to mourn her loss her father and mother, Charles and Alice Gray, three brothers, Thomas, William and Bert, and one sister, Jessie, all at West Grove, Pa., and another sister, Mabel in Florida. She has many friends in the Cove, where she has lived so long. Funeral services were held at the M. E. church Monday, the Rev. Allen Payne conducting them, and the remains were laid to rest in the Rose Hill cemetery.

Funeral services were held at the M. E. church Monday, the Rev. Allen Payne conducting them, and the remains were laid to rest in the Rose Hill cemetery.

The Rev. Adolph Kerkowsky and the Rev. Arthur Chombar of Los Angeles, California are here for a few days doing evangelistic work. They are college friends of the Rev. Mr. Green, of the Baptist church. The Rev. Mr. Kerkowsky gave a wonderful sermon Sunday evening taking as his text the "Savior." The people of the Methodist church closed their doors for the evening and united with the Baptists.

Funeral services were held at the Zion Episcopal church Sunday evening. The Rev. William M. Bradner in charge assisted by Rev. Schuyler Pratt, of Hood River, who is spending his vacation here.

Mr. and Mrs. Harold Hawk and small daughter, Haroline, of Pendleton, are visiting at the home of Mrs. Hawk's parents, Mr. and Mrs. H. P. Bell.

Desmond Papp, who has been teaching in junior high in Salem is home for his vacation.

Mr. and Mrs. Joe Deibel, of La Grande, have gone to Roseburg to spend a week with Mrs. Deibel's parents, Mr. and Mrs. J. W. Droughton.

Frank Parker of Heppner, a cousin of Miss Edith Gray, is here with his brother, John Parker for a few days.

Lee Williams is quite badly crippled, the result of an injury to one of his feet when using a pick ax, early in the week. He was rushed to Baker to a physician. He is no longer able to be around on crutches.

The campfire girls of the Sacajawea group at La Grande left Sunday for their homes after spending a week camping in the ascension grove.

Nine girls of the Niswaki campfire group at Cove, with their guardian Mrs. Louis Bradner, will leave early Tuesday for a two days camp on Catherine creek. The girls are Misses Carmen and Jane Daniel, Dorothy Barker, Veronia Goodell, Marian Gates, Stella and Alva Blank, Les Ellen Breshaw, and Vera Weimer.

Three boy scouts, Allen Miller, Billy Clark, and John Fisher, left Sunday for the camp at Wallowa lake.

Mr. and Mrs. Truman Allen, of Southern California, are spending a month with Mr. Allen's mother, Mrs. Alice Allen.

Miss Beatrice Wardell is spending a few days at the home of Mr. and Mrs. Peppel in La Grande. They will all leave Wednesday for

How to Protect the Throat When Smoking

What 9651* Doctors say on this subject

The signed statements of intelligent men and women whose voices are to them what the hands of the day laborer are to him—the means indispensable to livelihood or success in life—are convincing. Actors and actresses, great singers, men conspicuous in public life, radio announcers, testify that they like LUCKY STRIKE cigarettes because of their finer flavor and because they do not irritate the throat.

Before such statements by laymen were published, questions had been addressed to a number of physicians in various sections of the United States—many of them leading physicians—and some replies had been received. The following is the result of the questionnaire:

Q1—In your judgment is the heat treatment or toasting process applied to tobaccos previously aged and cured, likely to free the cigarette from irritation to the throat?

9651 doctors answered this question "YES".

Q2—Do you think from your experience with LUCKY STRIKE cigarettes that they are less irritating to sensitive or tender throats than other cigarettes, whatever the reason?

11,105 doctors answered this question "YES".

© MERRILL N. Y.

Titta Ruffo, Noted Metropolitan Star, writes:

"Like scores of others whose everything is their voice and a clear throat, I, when I smoke, prefer the toasted cigarette—Lucky Strike."

Titta Ruffo

"It's toasted"

No Throat Irritation - No Cough.

*WE HEREBY CERTIFY that we have examined signed cards answering Questions One and Two and that there are 9,651 affirmative answers to Question One and 11,105 affirmative answers to Question Two. LYBRAND, ROSS BROS. & MONTGOMERY Accountants and Auditors New York, July 24, 1927.
