PLAIN GOLD—sing praises to God, sing praises; sing praises unto our King, sing praises. Psalm 47:5.

Skating King

Meet Frankie Klop of Reading, Pa. Klop is the world's amateur roller skating champion. He won this title recently in competition with the best that America and Canada had to offer.

Boy, Howdy!

Here's Clay Hopper, who hit four home runs in a recent game between Danville and Quincy in the Three-Rivers League. The Danville outfielder tied all existing home run records for one game by his performance.

OLD LAW HOLDS INN FOR THEFT OF AUTOMOBILE

LONDON (AP)—In olden days when laws were remote and highwaymen were rampant it was not uncommon for the robbers and the innkeepers to be in league, so laws were passed holding innkeepers responsible for the safety of their guests and their goods.

These laws still stand, and figured in the loss of an automobile valued at \$267, stolen from the parking place of the Bridge House hotel at Baines, Alexander Dixon.

Arise, a banker's agent, contended that by the innkeepers act the common law of England was applicable.

Justice Swift pointed out that the law had been framed for hundreds of years and that under it an innkeeper was liable for the safety of his guests and such of their property as came into his custody, and the jury found for the plaintiff in the case.

Prince Carol, called in Paris, proclaiming himself king of Romania. This boy must be a regular Jack Sparrow when it comes to asserting himself.

The Best Way of Preparing Delicious Vegetable Hash

—A Genuine Treat—

1 pint chopped cooked potato
1 pint mixed cooked vegetables
1/2 cup white sauce
1/2 cup Mazola Tomato or chopped egg sauce

The mixed vegetables may be any kind, as cooked carrots, turnips, cabbage, beets, peas, chopped string beans, lima beans, stewed corn, onions, etc. If cooked onion is not among the vegetables, a little raw, minced onion should be added. Combine the ingredients. Heat the Mazola in a medium-sized frying pan, pack in the hash an inch deep and fry until browned.

MANY jokes have been coined about hash—but in the case of Mrs. Allen's hash the joke is on the person who doesn't try it.

And from this recipe, you will also get an idea why modern housewives prefer Mazola for frying—because foods fried in it are greaseless when ready to serve;—because Mazola is an absolutely pure vegetable oil, pressed from the hearts of fully-ripened corn kernels.

SEND ONLY 10c (STAMPS OR COIN) with this coupon and you will receive a copy of Ida Bailey Allen's wonderful new Book, attractively bound, containing 112 pages of unusual recipes. Write

ROBBED!

MEN FACE PRISON TERM TO GET FIRST

QUALITY MERCHANDISE

A significant fact in connection with the robbery of West's Men's Store Sunday night was the strict preference shown for Florsheim shoes, Manhattan shirts, Interwoven sox, Munsing silk underwear. Not one of the less expensive lines of merchandise was disturbed.

In La Grande appreciation for the leadership of these brands is as widespread as is the appreciation for the leadership of N. K. West & Co. Throughout the country this quality merchandise marks the leading man's store in every community.

N. K. West & Co., Inc.
THE MAN'S STORE

Family Washday Blues to Leave

BIRMINGHAM, Eng. (AP)—Much of the domestic and "house" of the family washday will be eliminated for housewives by Birmingham's municipal laundry, largest of its kind in the world, in which a washing ordinarily requires a whole day will consume less than two hours.

The cost of washing for a family of five will be about one-half the cost of doing the laundry at home, including soap and soda.

Birmingham's laundry will open in the fall. A housewife will be able to place her soiled clothes in a power-driven machine, then into a hydro-extractor to remove moisture and finally into a drying closet. Her only work, besides bringing her hamper of laundry, will be to pull two levers and turn two taps. Motor-driven mangles and electric irons will also be available, as well as special facilities for clothing likely to lose color in washing.

CAPE COD CUTS FIRE LOSS

In the heart of a highly inflammable pitch pine and scrub oak, the Cape Cod Forest Fire Prevention Experiment has developed a prevention-suppression system that in two years reduced the forest area was burned each year.

A woman in Great Britain, recently was severely injured when she tripped over her skirt. Now she wears a skirt that is 18 inches long.

Buzz cook gets a puncture

MOSQUITOES—screens do not stop them! Kill them at once, with Flit.

Flit spray clears the house in a few minutes of disease-bearing flies, mosquitoes, bed bugs, roaches, ants and fleas. It searches out the cracks where insects hide and breed, destroying their eggs.

Flit kills moths and their larvae

which eat holes. It will save your clothing, furs and rugs. Clean and easy to use. Will not stain.

Flit is the result of exhaustive laboratory research. It has replaced old ineffective methods. Fatal to insects but harmless to mankind. Recommended by Health Officials. Buy Flit and Flit sprayer today. For sale everywhere.
