Leon, of New York, inventor and head of the Leon machine and company. Mr. Leon is making a special trip in the west to demonstrate to owners of the machine and to beauty parlor operators a new feature of the machine. Mrs. Daly has been gone since Saturday. While in Portland she will make preparations for the new shop which she and Mrs. Edith Deane will open soon.

THREE AQUATIC STARS MEET

Edna Barker, New York Bureau; George Barker, New York Bureau; and George Barker, New York Bureau, who is going to Honolulu to represent the Blue Club of New York in the international championship meet. William Zuck, center, talked them both and is not a bit afraid of that fact.

WHICH IS THE REAL KING

Legion Magazine Official Here

Mr. and Mrs. R. J. Clary and daughter, of Portland stopped here yesterday on their way home to Portland after a trip to Yellowstone national park. Mr. Clary is business and circulation manager of the Pacific Legion magazine and attended the state convention here last month. "I attended several other state conventions since leaving La Grande and found none of them so well attended as the Oregon one," he declared, praising the way in which the La Grande post handled the affair. Mr. and Mrs. Clary were accompanied by Mr. and Mrs. P. R. Walker, of Portland. They stopped at the Summer.

On Fishing Trip—
De H. S. Brown and sons, Wesley and Sheldon, are expected home this evening from a several days' fishing trip on the Little Minam. Both boys, who are students at the University of Washington, have been spending their summer in Washington where they have been working for the Wear-ever Aluminum Co., and arrived here last week to be with their parents. Wesley will return after a few days to Walla Walla to complete his work before resuming his studies at Seattle while Sheldon will remain at home until the opening of school this fall. He has been working at Davenport, Wash.

FLOOD STREETS
PORTLAND, Ore., Aug. 9 (AP)—Water gushed forth in torrents at Twenty-third and Washington streets early this morning when an unoccupied automobile rolled down Vista avenue and knocked a fire plug from its foundation.

Visiting Daughter

Mr. and Mrs. Thomas Warner, of Oregon City, arrived here yesterday and will visit until the end of the week with their daughter, and son-in-law, Mr. and Mrs. A. J. Cook. Mr. and Mrs. Warner and Mr. and Mrs. Cook and son, Thomas, will drive to Wallawa lake tomorrow where they will spend the day. Miss Dorothy Bursell, who is visiting at the Cook home this summer, will accompany them. Mr. and Mrs. Warner stopped here on their return home from Yellowstone national park.

Visited Here Sunday

Mr. and Mrs. C. J. Edwards were guests in La Grande Sunday at the home of Mr. and Mrs. A. T. Hill. Mr. and Mrs. Edwards make their home at Tillamook. Mrs. Edwards is a kind cousin of Herbert Hooper. When asked whether she thought Mr. Hoover would enter the presidential race, she said no, at least not unless someone else did the political work. She said she did not believe he would ever go into presidential politics.

Home From East—
Alfred Meyers arrived home this morning on train No. 24 from Notre Dame in company with his father, F. L. Meyers, who has been spending two weeks in Portland on a business and pleasure trip. Mr. Meyers has been attending summer school at Notre Dame for the past few months and working for his master's degree. He will return to Notre Dame this fall where he will teach freshman English and complete his work for the degree. Mr. Meyers graduated from Notre Dame a year ago.

arrived at in the usual manner. While he would not amplify this statement, it is understood the general board's plan calls for construction of probably 12 10,000-ton cruisers with eight-inch guns in addition to the eight cruisers of 10,000 tons now under construction.

MUSSOLINI WOULD SAVE SACCO AND VANZETTI

ROME, Aug. 9 (AP)—Answering a plea from Michele Sacco for his personal intervention to prevent the execution of Michael Sacco, Nicola in Massachusetts Premier Mussolini has telegraphed him: "I desire to communicate to you that for a long time, and anxiously I have occupied myself with the Sacco-Vanzetti case, and I have done everything possible compatible with international rules to save them from execution."

ILLINOIS BOOSTS FORESTRY

Fourteen states now publish pocket manuals of native forest trees. The Illinois manual, latest issued, describes 55 different kinds of the bulk of which are hardwoods. "Illinois foresters," the U. S. Forest Service says, "find forestry a profitable employment during the winter. It affords practical utilization of waste land."

"Have you heard the latest? Mrs. Fisher walks in her sleep?" "How perfectly absurd, when they have three cars."—The Paming Show.

Edmund Keen, the noted English actor, valued the opinion of the common people in the pit more highly than that of aristocrats and dramatic critics.

On all railway journeys the king of England pays full fare for himself, the queen and every member of the royal household in attendance.

USE OF MILK INCREASING

Evidence that the war on bovine tuberculosis has not turned the public against milk, dairy experts say, is seen in the fact that annual consumption of milk in the United States has increased more than 49 quarts per capita since 1918. During 1926 the public consumed 56 billion pounds of milk and cream, an increase of two billion pounds over the quantity consumed in 1925.

More than forty-five per cent of the windmills of Holland have been removed or demolished since 1925, according to a report from an official mill association in that country.

George Washington, a great lover of fish, refused to eat a shad that cost three dollars because he did not want it said that his table, as president, set an example of luxury and extravagance.
