Gains Are Made In Wall Street; Few Weak Spots

NEW YORK, Aug. 12 (AP)—Stock prices rebounded briskly today after the drastic reaction of the two preceding sessions. Extreme gains ran from 2 to 10 points in many active issues, but there were not fully maintained. A few new weak spots cropped out, but there were no widespread breaks such as took place earlier in the week.

Country Dressed Meats Scarce On Portland Market

PORTLAND, Ore., Aug. 12 (AP)—Receipts of country dressed meats on the local wholesale market were unusually light today and all choices are sold readily at 12c per pound. Although few receipts are also a bit light, the quality of late receipts has been better than in the past. The price for the best available cuts around the city varies from 10c to 12c.

Wheat Close Heavy And Lower Today

CHICAGO, Aug. 12 (AP)—Options unchanged to 1/2c higher, wheat hardened a 1/16c more and wheat sagged all around. Corn was relatively firm, starting unchanged to 1/4 up and later holding steady to initial firmness. Oats were quiet. Provisions showed declines.
